MISCELLANEOUS CHANGES TO THE GENERAL STATUTES.***

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 Section 1. Section 12-63 of the general statutes is repealed and the
2 following is substituted in lieu thereof (*Effective July 1, 2011*):

3 (a) The present true and actual value of land classified as farm land
4 pursuant to section 12-107c, as forest land pursuant to section 12-107d,
5 as open space land pursuant to section 12-107e, or as maritime heritage
6 land pursuant to section 12-107g shall be based upon its current use
7 without regard to neighborhood land use of a more intensive nature,
8 provided in no event shall the present true and actual value of open
9 space land be less than it would be if such open space land comprised
10 a part of a tract or tracts of land classified as farm land pursuant to
11 section 12-107c. The present true and actual value of all other property
12 shall be deemed by all assessors and boards of assessment appeals to

13 be the fair market value thereof and not its value at a forced or auction
14 sale.

15 (b) (1) For the purposes of this subsection, (A) "electronic data
16 processing equipment" means computers, printers, peripheral
17 computer equipment, bundled software and any computer-based
18 equipment acting as a computer, as defined in Section 168 of the
19 Internal Revenue Code of 1986, or any subsequent corresponding
20 internal revenue code of the United States, as from time to time
21 amended; (B) "leased personal property" means tangible personal
22 property which is the subject of a written or oral lease or loan on the

31 property required pursuant to section 12-62 is performed in such
32 municipality, and for each assessment year thereafter. If so adopted,
33 the present true and actual value of tangible personal property, other
34 than motor vehicles, shall be determined in accordance with the
35 provisions of this subsection. If such property is purchased, its true
36 and actual value shall be established in relation to the cost of its

38 depreciation in accordance with the schedules set forth in subdivisions
39 (3) to (6), inclusive, of this subsection. If such property is developed
40 and produced by the owner of such property for a purpose other than
41 wholesale or retail sale or lease, its true and actual value shall be
42 established in relation to its cost of development, production and
43 installation and shall reflect depreciation in accordance with the
44 schedules provided in subdivisions (3) to (6), inclusive, of this
45 subsection. The provisions of this subsection shall not apply to

46 property owned by a public service company, as defined in section 16-
47 1.

48 (3) The following schedule of depreciation shall be applicable with
49 respect to electronic data processing equipment:

(7) The present true and actual value of leased personal property shall be determined in accordance with the provisions of this subdivision. Such value for any assessment year shall be established in relation to the original selling price for self-manufactured property or acquisition cost for acquired property and shall reflect depreciation in accordance with the schedules provided in subdivisions (3) to (6), inclusive, of this subsection. If the assessor is unable to determine the original selling price of leased personal property, the present true and actual value thereof shall be its current selling price.

(8) With respect to any personal property which is prohibited by law from being sold, the present true and actual value of such property shall be established with respect to such property's original manufactured cost increased by a ratio the numerator of which is the total proceeds from the manufacturer's salable equipment sold and the denominator of which is the total cost of the manufacturer's salable equipment sold. Such value shall then be depreciated in accordance

84 with the appropriate schedule in this subsection.

85 (9) The schedules of depreciation set forth in subdivisions (3) to (6),
86 inclusive, of this subsection shall not be used with respect to
87 videotapes, horses or other taxable livestock or electric cogenerating
88 equipment.

89 (10) If the assessor determines that the value of any item of personal
90 property produced by the application of the schedules set forth in this
91 subsection does not accurately reflect the present true and actual value
92 of such item, the assessor shall adjust such value to reflect the present
93 true and actual value of such item.

94 (11) Nothing in this subsection shall prevent any taxpayer from
95 appealing any assessment made pursuant to this subsection if such
96 assessment does not accurately reflect the present true and actual
97 value of any item of such taxpayer's personal property.

98 [(c) (1) For the assessment years commencing October 1, 2006,
99 October 1, 2007, October 1, 2008, October 1, 2009, October 1, 2010, and
100 October 1, 2011, the annual declaration of tangible personal property
101 that a taxpayer files with the assessor of the town, shall be
102 accompanied by a supplement to said declaration on which the
103 taxpayer shall provide the following information for machinery and
104 equipment eligible for a grant pursuant to section 12-94b or 12-94f: (A)
105 The assessment year during which such property was acquired and
106 installed; (B) the original cost of acquisition for such property,
107 including charges for such property's transportation and installation;
108 (C) the value of such property depreciated in accordance with the
109 schedule provided by the assessor; (D) the total of the original cost of
110 acquisition for all such property; and (E) the total depreciated value of
111 such property for all such property. The assessor shall provide a
112 declaration of tangible personal property, together with such
113 supplement, to the owner of each manufacturing facility, as defined in
114 subparagraph (A) of subdivision (72) of section 12-81, and to the owner
115 of each facility engaged in biotechnology, as defined in said

116 subparagraph.

117 (2) For the assessment years commencing October 1, 2006, October
118 1, 2007, October 1, 2008, October 1, 2009, October 1, 2010, and October
119 1, 2011, the assessor of each town shall determine the depreciated
120 value of machinery and equipment, for the purposes of this section,
121 section 12-94b and section 12-94f, in accordance with the method said
122 assessor used to determine the depreciated value of the same or similar
123 machinery and equipment for the assessment year commencing
124 October 1, 2005. The supplement to the declaration of tangible personal
125 property the assessor provides, pursuant to subdivision (1) of this
126 subsection, for the assessment year commencing October 1, 2006, shall
127 not reflect an alteration of the depreciation schedule that would result
128 in an assessment increase for any such property, over the assessment
129 of such property for the assessment year commencing October 1, 2005,
130 and the supplement to such declaration the assessor provides for the
131 assessment years commencing October 1, 2007, October 1, 2008,
132 October 1, 2009, October 1, 2010, and October 1, 2011, shall not reflect
133 an alteration of the depreciation schedule that would result in an
134 assessment increase for any such property, over the assessment of such
135 property for the preceding assessment year.]

136 Sec. 2. Subdivision (72) of section 12-81 of the general statutes is
137 repealed and the following is substituted in lieu thereof (*Effective July*
138 *1, 2011*):

139 (72) (A) Effective for assessment years commencing on or after
140 October 1, 2002, but prior to assessment years commencing on or after
141 October 1, 2011, new machinery and equipment, as defined in this
142 subdivision, acquired after October 1, 1990, and prior to October 1,
143 2011, and newly-acquired machinery and equipment, as defined in this
144 subdivision, acquired on or after July 1, 1992, and prior to October 1,
145 2011, by the person claiming exemption under this subdivision,
146 provided this exemption shall only be applicable in the five full
147 assessment years following the assessment year in which such

148 machinery or equipment is acquired, subject to the provisions of
149 subparagraph (B) of this subdivision. Machinery and equipment
150 acquired on or after July 1, 1996, and prior to October 1, 2011, and used
151 in connection with biotechnology shall qualify for the exemption
152 under this subdivision. Machinery and equipment acquired on or after
153 July 1, 2006, and used in connection with recycling shall qualify for the
154 exemption under this subdivision. For the purposes of this
155 subdivision: (i) "Machinery" and "equipment" means tangible personal
156 property which is installed in a manufacturing facility and claimed on
157 the owner's federal income tax return as either five-year property or
158 seven-year property, as those terms are defined in Section 168(e) of the
159 Internal Revenue Code of 1986, or any subsequent corresponding
160 internal revenue code of the United States, as from time to time
161 amended, and the predominant use of which is for manufacturing,
162 processing or fabricating; for research and development, including
163 experimental or laboratory research and development, design or
164 engineering directly related to manufacturing; for the significant
165 servicing, overhauling or rebuilding of machinery and equipment for
166 industrial use or the significant overhauling or rebuilding of other
167 products on a factory basis; for measuring or testing or for metal
168 finishing; or used in the production of motion pictures, video and
169 sound recordings. "Machinery" means the basic machine itself,
170 including all of its component parts and contrivances such as belts,
171 pulleys, shafts, moving parts, operating structures and all equipment
172 or devices used or required to control, regulate or operate the
173 machinery, including, without limitation, computers and data
174 processing equipment, together with all replacement and repair parts
175 therefor, whether purchased separately or in conjunction with a
176 complete machine, and regardless of whether the machine or
177 component parts thereof are assembled by the taxpayer or another
178 party. "Equipment" means any device separate from machinery but
179 essential to a manufacturing, processing or fabricating process. (ii)
180 "Manufacturing facility" means that portion of a plant, building or
181 other real property improvement used for manufacturing, processing

182 or fabricating, for research and development, including experimental
183 or laboratory research and development, design or engineering
184 directly related to manufacturing, for the significant servicing,
185 overhauling or rebuilding of machinery and equipment for industrial
186 use or the significant overhauling or rebuilding of other products on a
187 factory basis, for measuring or testing or for metal finishing. (iii)
188 "Manufacturing" means the activity of converting or conditioning
189 tangible personal property by changing the form, composition, quality
190 or character of the property for ultimate sale at retail or use in the
191 manufacturing of a product to be ultimately sold at retail. Changing
192 the quality of property shall include any substantial overhaul of the
193 property that results in a significantly greater service life than such
194 property would have had in the absence of such overhaul or with
195 significantly greater functionality within the original service life of the
196 property, beyond merely restoring the original functionality for the
197 balance of the original service life. (iv) "Fabricating" means to make,
198 build, create, produce or assemble components or tangible personal
199 property work in a new or different manner, but does not include the
200 presorting, sorting, coding, folding, stuffing or delivery of direct or
201 indirect mail distribution services. (v) "Processing" means the physical
202 application of the materials and labor in a manufacturing process
203 necessary to modify or change the characteristics of tangible personal
204 property. (vi) "Measuring or testing" includes both nondestructive and
205 destructive measuring or testing, and the alignment and calibration of
206 machinery, equipment and tools, in the furtherance of the
207 manufacturing, processing or fabricating of tangible personal property.
208 (vii) "Biotechnology" means the application of technologies, including
209 recombinant DNA techniques, biochemistry, molecular and cellular
210 biology, genetics and genetic engineering, biological cell fusion
211 techniques, and new bioprocesses, using living organisms, or parts of
212 organisms, to produce or modify products, to improve plants or
213 animals, to develop microorganisms for specific uses, to identify
214 targets for small molecule pharmaceutical development, or to
215 transform biological systems into useful processes and products. (viii)

216 "Recycling" means the processing of solid waste to reclaim material, as
217 defined in section 22a-260;

218 (B) Any person who on October first in any year holds title to
219 machinery and equipment for which such person desires to claim the
220 exemption provided in this subdivision shall file with the assessor or
221 board of assessors in the municipality in which the machinery or
222 equipment is located, on or before the first day of November in such
223 year, a list of such machinery or equipment together with written
224 application claiming such exemption. [on a form prescribed by the
225 Secretary of the Office of Policy and Management.] Such application
226 shall include the taxpayer identification number assigned to the
227 claimant by the Commissioner of Revenue Services and the federal
228 employer identification number assigned to the claimant by the
229 Secretary of the Treasury. If title to such equipment is held by a person
230 other than the person claiming the exemption, the claimant shall
231 include on such person's application information as to the portion of
232 the total acquisition cost incurred by such person, and on or before the
233 first day of November in such year, the person holding title to such
234 machinery and equipment shall file a list of such machinery with the
235 assessor of the municipality in which the manufacturing facility of the
236 claimant is located. Such person shall include on the list information as
237 to the portion of the total acquisition cost incurred by such person.
238 Commercial or financial information in any application or list filed
239 under this section shall not be open for public inspection, provided
240 such information is given in confidence and is not available to the
241 public from any other source. The provisions of this subdivision
242 regarding the filing of lists and information shall not supersede the
243 requirements to file tax lists under sections 12-41, 12-42 and 12-57a. In
244 substantiation of such claim, the claimant and the person holding title
245 to machinery and equipment for which exemption is claimed shall
246 present to the assessor or board of assessors such supporting
247 documentation as [said secretary] the assessor or board of assessors
248 may require, including, but not limited to, invoices, bills of sale,
249 contracts for lease and bills of lading and shall, upon request, present

250 to [the secretary or the secretary's designee] the assessor or board of
251 assessors a copy of each applicable federal income tax return and
252 accompanying schedules. In lieu of submitting each applicable federal
253 income tax return and accompanying schedules, a claimant and person
254 holding title to machinery and equipment for which an exemption is
255 claimed may, upon approval of [said secretary] the assessor or board
256 of assessors, submit copies of applicable schedules accompanied by a
257 sworn affidavit stating that such schedules were filed as part of such
258 claimant's or person's federal income tax return. Failure to file such
259 application in this manner and form within the time limit prescribed
260 shall constitute a waiver of the right to such exemption for such
261 assessment year, unless an extension of time is allowed pursuant to
262 section 12-81k. If title to exempt machinery is conveyed subsequent to
263 October first in any assessment year, entitlement to such exemption
264 shall terminate for the next assessment year and there shall be no pro
265 rata application of the exemption unless such machinery or equipment
266 continues to be leased by the manufacturer who claimed and was
267 approved for the exemption in the previous assessment year.
268 Machinery or equipment shall not be eligible for exemption upon
269 transfer from a seller to a related business or from a lessor to a lessee
270 except to the extent it would have been eligible for exemption by the
271 seller or the lessor, as the case may be. For the purposes of this
272 subdivision, "related business" means: (i) A corporation, limited
273 liability company, partnership, association or trust controlled by the
274 taxpayer; (ii) an individual, corporation, limited liability company,
275 partnership, association or trust that is in control of the taxpayer; (iii) a
276 corporation, limited liability company, partnership, association or trust
277 controlled by an individual, corporation, limited liability company,
278 partnership, association or trust that is in control of the taxpayer; or
279 (iv) a member of the same controlled group as the taxpayer. For
280 purposes of this subdivision, "control", with respect to a corporation,
281 means ownership, directly or indirectly, of stock possessing fifty per
282 cent or more of the total combined voting power of all classes of the
283 stock of such corporation entitled to vote. "Control", with respect to a

284 trust, means ownership, directly or indirectly, of fifty per cent or more
285 of the beneficial interest in the principal or income of such trust. The
286 ownership of stock in a corporation, of a capital or profits interest in a
287 partnership or association or of a beneficial interest in a trust shall be
288 determined in accordance with the rules for constructive ownership of
289 stock provided in Section 267(c) of the Internal Revenue Code of 1986,
290 or any subsequent corresponding internal revenue code of the United
291 States, as from time to time amended, other than paragraph (3) of said
292 Section 267(c);

293 (C) Any person claiming the exemption provided under this
294 subdivision for machinery or equipment shall not be eligible to claim
295 the exemption provided under subdivision (60) of this section or
296 subdivision (70) of this section for the same machinery or equipment.
297 The state and the municipality and district shall hold a security
298 interest, as defined in subdivision (35) of subsection (b) of section 42a-
299 1-201, in any machinery or equipment which is exempt from taxation
300 pursuant to this subdivision, in an amount equal to the tax revenue
301 reimbursed or lost, as the case may be, which shall be subordinate to
302 any purchase money security interest, as defined in section 42a-9-103a.
303 Such security interest shall be enforceable against the claimant for a
304 period of five years after the last assessment year in which such
305 exemption was received in any case in which such person ceases all
306 manufacturing or biotechnology operations or moves such
307 manufacturing or biotechnology operations entirely out of this state.
308 Any assessor who has granted an exemption under this subdivision
309 shall provide written notification to the secretary of the cessation of
310 such operations or the move of such operations entirely out of this
311 state. Such notification may be made at any time after the October first
312 of the last assessment year in which such exemption is granted and
313 before the September thirtieth that is five years after the conclusion of
314 said assessment year. Upon receiving such notification and complying
315 with the provisions of section 12-35a, the state shall have a lien upon
316 the machinery or equipment situated in this state and owned by the
317 person that ceased all business operations or moved such operations

318 entirely out of this state. Notwithstanding the provisions of section 12-
319 35a, the total amount of the reimbursement made by the state for the
320 property tax exemptions granted to the person under the provisions of
321 this subdivision, shall be deemed to be the amount of the tax which
322 such person failed to pay. Notwithstanding said section 12-35a, the
323 information required to be included in the notice of lien for such tax
324 shall be as follows: (i) The owner of the property upon which the lien
325 is claimed, (ii) the business address or residence address of such
326 owner, (iii) the specific property claimed to be subject to such lien, (iv)
327 the location of such property at the time it was last made tax-exempt
328 pursuant to this subdivision, (v) the total amount of the
329 reimbursement made by the state for the property tax exemptions
330 granted to such owner under the provisions of this subdivision, and
331 (vi) the tax period or periods for which such lien is claimed. If more
332 than one agency of the state perfects such a notice of lien on the same
333 day, the priority of such liens shall be determined by the time of day
334 such liens were perfected, and if perfected at the same time, the lien for
335 the highest amount shall have priority. In addition to the other
336 remedies provided in this subdivision, the Attorney General, upon
337 request of the secretary, may bring a civil action in a court of
338 competent jurisdiction to recover the amount of tax revenue
339 reimbursed by the state from any person who received an exemption
340 under this subdivision. The following shall not be eligible for the
341 exemption provided under this subdivision: (I) A public service
342 company, as defined in section 16-1; and (II) any provider, directly or
343 indirectly, of electricity, oil, water or gas;

344 (D) A claim for property tax exemption under this subdivision may
345 be denied by the assessor or board of assessors of a town, consolidated
346 town and city or consolidated town and borough, with the consent of
347 the chief executive officer thereof, if the claimant is delinquent in a
348 property tax payment to such town, consolidated town and city or
349 consolidated town and borough, pursuant to section 12-146, for
350 property owned by such claimant. Before any such claim is denied, the
351 assessor or board of assessors shall send written notice to the claimant,

352 stating that the claimant may pay the amount of such delinquent tax or
353 enter into an agreement with such town, consolidated town and city or
354 consolidated town and borough for the payment thereof, by the date
355 set forth in such notice, provided, such date shall not be less than thirty
356 days after the date of such notice. Failure on the part of the claimant to
357 pay the amount of the delinquent tax or enter into an agreement to pay
358 the amount thereof by said date shall result in a disallowance of the
359 exemption being claimed;

360 [(E) The secretary, in the secretary's discretion, may deny any claim
361 for exemption under the provisions of this subdivision for new
362 machinery and equipment by a claimant who is delinquent in the
363 payment of corporation business tax imposed under chapter 208, as
364 reported on the list provided by the Commissioner of Revenue
365 Services pursuant to subsection (b) of section 12-7a and who qualified
366 for exemption under this subdivision in the preceding year. On or
367 before September first annually, commencing September 1, 1998, the
368 secretary shall send a written notice to any claimant identified on said
369 list and to the assessor of the town in which the property is subject to
370 taxation, stating that the property tax exemption allowed by this
371 subdivision for the assessment date following the date on which such
372 notice is sent, shall be denied by the assessor of the town in which the
373 property of the taxpayer is subject to taxation unless the taxpayer
374 provides written documentation from the Department of Revenue
375 Services that the delinquency has been cleared. Such written
376 documentation shall substantiate that the delinquency was cleared on
377 or before the statutory date for the filing of an application for
378 exemption under this subdivision, provided, if a taxpayer receives an
379 extension of the filing date pursuant to section 12-81k, the date by
380 which the taxpayer shall be required to clear such tax delinquency
381 shall be extended for a like period of time. No assessor shall approve
382 an application for the exemption under this subdivision that is not
383 accompanied by the written documentation required from a claimant
384 who was sent a notification by the Secretary of the Office of Policy and
385 Management;]

386 Sec. 3. Subdivision (76) of section 12-81 of the general statutes is
387 repealed and the following is substituted in lieu thereof (*Effective July*
388 *1, 2011*):

389 (76) Effective for assessment years commencing on or after October
390 1, 2011, [new] machinery and equipment, [or newly-acquired
391 machinery and equipment,] including machinery and equipment used
392 in connection with biotechnology. For purposes of this subdivision,
393 "machinery" and "equipment", and "biotechnology" shall have the
394 same meaning as in subdivision (72) of this section. Any person
395 claiming the exemption provided under this subdivision shall not be
396 eligible to claim the exemption provided under subdivision (60) or (70)
397 of this section for the same machinery and equipment;

398 Sec. 4. Subsection (b) of section 15-144 of the general statutes, as

 2077 establish procedures to be followed by a court of probate or by said
 2078 commissioner, as the case may be, for issuing certificates of release of

 2080 satisfied in order for a court of probate or for the commissioner, as the
 2081 case may be, to find that the payment of such tax is adequately assured
 2082 or that no tax imposed under this chapter is due.

2489 Sec. 52. Subparagraph (D) of subdivision (74) of section 12-81 of the
2490 general statutes is repealed and the following is substituted in lieu
2491 thereof (*Effective July 1, 2011*):

2496 related to the modification of such vehicle, adjusted for depreciation;
2497 [in accordance with the schedule set forth in section 12-94c;]

2498 Sec. 53. Subsection (e) of section 32-56 of the general statutes is
2499 repealed and the following is substituted in lieu thereof (*Effective from*

2500 *passage*):

2501 (e) Any business facility located in a municipality declared by the
 2502 commissioner to be severely impacted by a prime defense contract
 2503 cutback or major aerospace or defense plant closure pursuant to
 2504 subsection (c) of this section, which facility would be a "manufacturing
 2505 facility", as defined in subsection (d) of section 32-9p, but for the fact
 2506 that the facility is not in a "distressed municipality", as defined in
 2507 subsection (b) of section 32-9p, will be deemed a manufacturing facility
 2508 for the purposes of sections 32-9p to 32-9s, inclusive, section 12-217e,
 2509 and subdivisions (59) and (60) of section 12-81, if the purpose of the
 2510 construction, expansion, renovation or acquisition of such facility is
 2511 not dependent on prime defense contracts or related subcontracts. The
 2512 provisions of this section shall apply to a business facility located in a
 2513 building that was vacant (1) on July 1, 1998, and was formerly used for
 2514 defense manufacturing, or [as] (2) on or after the effective date of this
 2515 section and was formerly a major aerospace or defense plant with not
 2516 less than eight hundred employees.

2517 Sec. 54. Subsection (b) of section 12-35f of the general statutes is
 2518 repealed and the following is substituted in lieu thereof (*Effective from*
 2519 *passage*):

2520 (b) (1) Upon the request and certification of the tax officer of a
 2521 claimant state to the Commissioner of Revenue Services that a
 2522 taxpayer owes taxes to such claimant state, the commissioner may
 2523 withhold all or a portion of any refund to which such taxpayer would
 2524 otherwise be entitled and pay over such withheld amount to the
 2525 claimant state in accordance with the provisions of this section. The
 2526 commissioner shall not withhold a refund unless the laws of the
 2527 claimant state allow the Commissioner of Revenue Services to certify
 2528 that a taxpayer owes taxes to this state and to request the tax officer of
 2529 the claimant state to withhold all or a portion of any refund to which
 2530 such taxpayer would otherwise be entitled, and provide for the
 2531 payment over of such withheld amount to this state.

2532 (2) Such certification shall include the full name and address of the
 2533 taxpayer; the taxpayer's Social Security number or federal employer
 2534 identification number; the amount of taxes owed to such state; [,
 2535 including a detailed statement for each taxable period showing tax,
 2536 interest and penalty;] and a statement that any administrative or
 2537 judicial remedies, or both, have been exhausted or have lapsed and
 2538 that the amount of taxes is legally enforceable under the laws of such
 2539 state.

2540 (3) Upon receipt by the commissioner of the required certification,
 2541 [he] the commissioner shall notify the taxpayer, if the taxpayer is
 2542 otherwise entitled to a tax refund from this state, that [he] the
 2543 commissioner has received a request from the claimant state to
 2544 withhold all or a portion of any refund, that the taxpayer has the right
 2545 to protest the withholding of the refund, that failure to file a protest in
 2546 accordance with subdivision (4) of this subsection shall constitute a
 2547 waiver of any demand against this state on account of such withheld
 2548 amount and that the withheld amount will be paid over to the claimant
 2549 state. [The notice shall include a copy of the certification by the tax
 2550 officer of such claimant state.] Thirty days after the date on which [it is
 2551 mailed, a notice under this subdivision] a notice under this subdivision
 2552 is mailed, such notice shall be final except only for such amounts as to
 2553 which the taxpayer has filed, as provided in subdivision (4) of this
 2554 subsection, a written protest with the Commissioner of Revenue
 2555 Services.

2556 (4) Any taxpayer notified in accordance with subdivision (3) of this
 2557 subsection may, on or before the thirtieth day after the mailing of such
 2558 notice by the Commissioner of Revenue Services, protest the
 2559 withholding of all or a portion of a refund by filing with the
 2560 commissioner a written protest in which the taxpayer shall set forth
 2561 the grounds on which the protest is based. If a timely protest is filed,
 2562 the commissioner shall impound the claimed amount of the refund,
 2563 pay to the taxpayer the unclaimed amount, if any, of the refund, send a
 2564 copy of the protest to the claimant state for determination of the

2565 protest on its merits in accordance with the laws of that state, and pay
2566 over to the taxpayer the impounded amount if the claimant state shall
2567 fail on or before the forty-fifth day after the sending of the copy of the
2568 protest by the commissioner to such claimant state to recertify to the
2569 commissioner that the claimant state has reviewed the stated grounds
2570 on which the protest is based, and to recertify the amount of taxes
2571 which is finally due and payable to the claimant state, which is legally
2572 enforceable under the laws of the claimant state against the taxpayer,
2573 and with respect to which any administrative or judicial remedies, or
2574 both, have been exhausted or have lapsed.

2575 (5) Where the amount withheld in accordance with this subsection is
2576 a refund of any tax imposed upon the income of individuals and in
2577 connection with which the taxpayer filed a joint return with his or her
2578 spouse, and the spouse is not a taxpayer, the spouse shall have the
2579 right to be paid his or her portion of the refund by establishing his or
2580 her share of such refund. The amount of such spouse's share of such
2581 refund shall be established by recomputing the spouse's share of the
2582 joint liability and subtracting that amount from the taxpayer's
2583 contribution toward the joint liability, provided the amount of the
2584 overpayment refunded to the spouse shall not exceed the amount of
2585 the joint overpayment.

2586 (6) Subject to the provisions of subdivisions (3), (4) and (5) of this
2587 subsection, the commissioner shall pay over to the claimant state the
2588 entire amount withheld or the amount certified, whichever is less; pay
2589 any refund in excess of the certified amount to the taxpayer; and, if the
2590 amount certified exceeds the amount withheld, withhold amounts
2591 from subsequent refunds due to the taxpayer, provided the claimant
2592 state agrees to withhold subsequent refunds due to taxpayers certified
2593 to the claimant state by the commissioner.

2594 Sec. 55. Section 12-216a of the general statutes is repealed and the
2595 following is substituted in lieu thereof (*Effective from passage and*
2596 *applicable to income years commencing on or after January 1, 2011*):

2597 (a) Any company that derives income from sources within this state
 2598 [, or] and that has a substantial economic presence within this state,
 2599 evidenced by a purposeful direction of business toward this state,
 2600 examined in light of the frequency, quantity and systematic nature of a
 2601 company's economic contacts with this state, without regard to
 2602 physical presence, and to the extent permitted by the Constitution of
 2603 the United States, shall be liable for the tax imposed under this
 2604 chapter. Such company shall apportion its net income under the
 2605 provisions of this chapter.

2606 (b) The provisions of subsection (a) of this section shall not apply to
 2607 any company that is treated as a foreign corporation under the Internal
 2608 Revenue Code and has no income effectively connected with a United
 2609 States trade or business. To the extent that a company that is treated as
 2610 a foreign corporation under the Internal Revenue Code has income
 2611 effectively connected with a United States trade or business, such
 2612 company's gross income, notwithstanding any provision of this
 2613 chapter, shall be its income effectively connected with its United States
 2614 trade or business. For net income tax apportionment purposes, only
 2615 property used in, payroll attributable to and receipts effectively
 2616 connected with such company's United States trade or business shall
 2617 be considered for purposes of calculating such company's
 2618 apportionment fraction. "Income effectively connected with a United
 2619 States trade or business" shall be determined in accordance with the
 2620 provisions of the Internal Revenue Code.

2621 Sec. 56. Section 12-242g of the general statutes is repealed and the
 2622 following is substituted in lieu thereof (*Effective October 1, 2011, and*
 2623 *applicable to estimated corporation business tax payments for income years*
 2624 *commencing on or after January 1, 2012*):

2625 (a) If a company has paid as an installment of estimated tax an
 2626 amount in excess of the amount determined to be the correct amount
 2627 of such installment, such amount shall be credited against any unpaid
 2628 installment or against the tax. If the amount already paid, whether or

not on the basis of installments, exceeds the amount determined to be the correct amount of the tax, the company shall be paid by the State Treasurer, upon order of the Comptroller, the amount of such overpayment. [The commissioner may prescribe regulations providing for the crediting against the estimated tax for any taxable year of the amount determined to be an overpayment of the corporation business tax for a preceding taxable year.]

(b) If a company has filed its tax return under this chapter for the income year on or before the due date of such return or, if an extension of time to file has been requested and granted, the extended due date of such return, any overpayment reported on such return, if the company has elected to credit such overpayment against the company's estimated tax for the succeeding income year, shall be treated as if paid on the due date of the first required installment of estimated tax for such succeeding income year. Such reported overpayment shall be credited against otherwise unpaid required installments in the order in which such installments are required to be paid under section 12-242d.

Sec. 57. Subdivision (3) of subsection (a) of section 12-686 of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2011, and applicable to tax periods ending on or after said date*):

(3) (A) Except as otherwise provided in subsections (b) and (c) of this section, the commissioner may require every employer who is deducting and withholding Connecticut income tax from employee wages to pay such tax during the twelve-month period following a determination of liability under this subdivision, by one of the means of electronic funds transfer approved by the department, if the commissioner determines that the amount of Connecticut income tax deducted and withheld from employee wages by such employer was more than two thousand dollars for the twelve-month period ending on the June thirtieth immediately preceding the quarterly period with

2661 respect to which the requirement to pay over tax by electronic funds
2662 transfer is established. The commissioner, in determining whether tax
2663 liability is more than two thousand dollars, shall base such
2664 determination on the taxes reported to be due on the quarterly
2665 withholding tax returns of such employer related to the period under
2666 examination. If any such tax return of such [person] employer for such
2667 period has not been filed, the commissioner may base such
2668 determination on any information available to the commissioner.

2669 (B) Except as otherwise provided in subsections (b) and (c) of this
2670 section, the commissioner may require every payer, as defined in
2671 section 12-707, as amended by this act, who is deducting and
2672 withholding Connecticut income tax from nonpayroll amounts, as
2673 defined in section 12-707, as amended by this act, to pay such tax for
2674 the calendar year, following a determination of liability under this
2675 subdivision, by one of the means of electronic funds transfer approved
2676 by the department, if the commissioner determines that the amount of
2677 Connecticut income tax deducted and withheld from nonpayroll
2678 amounts by such payer for the look-back calendar year, as defined in
2679 section 12-707, as amended by this act, was more than two thousand
2680 dollars. The commissioner, in determining whether the amount of
2681 Connecticut income tax deducted and withheld for the look-back
2682 calendar year, is more than two thousand dollars, shall base such
2683 determination on the tax reported to be due on the withholding tax
2684 return of such payer for such look-back calendar year. If any such tax
2685 return of such payer for such period has not been filed, the
2686 commissioner may base such determination on any information
2687 available to the commissioner.

2688 Sec. 58. Section 12-707 of the general statutes is repealed and the
2689 following is substituted in lieu thereof (*Effective July 1, 2011, and*
2690 *applicable to sales of a business or stock of goods occurring on or after said*
2691 *date*):

2692 (a) (1) Each employer required to deduct and withhold tax under

2693 this chapter from the wages of employees shall be liable for such tax
2694 and shall file a withholding return as prescribed by the Commissioner
2695 of Revenue Services and pay over to the commissioner, or to a
2696 depository designated by the commissioner, the taxes so required to be
2697 deducted and withheld at the times specified in subsection (b) of this
2698 section.

2699 (2) Each payer of nonpayroll amounts shall deduct and withhold tax
2700 under this chapter from the nonpayroll amounts of payees, shall be
2701 liable for such tax, and shall file a withholding return as prescribed by
2702 the commissioner and pay over to the commissioner, or to a depository
2703 designated by the commissioner, the taxes so required to be deducted
2704 and withheld at the times specified in subsection (b) of this section.

2705 (b) (1) (A) With respect to the tax required to be deducted and
2706 withheld under this chapter from wages paid during any calendar year
2707 beginning on or after January 1, 2005, and in accordance with an
2708 annual determination described in subdivision (2) of this subsection,
2709 each employer shall be either a weekly remitter, monthly remitter or
2710 quarterly remitter for the calendar year. If an employer is a weekly
2711 remitter, the employer shall pay over to the commissioner the tax
2712 required to be deducted and withheld under this chapter in
2713 accordance with subdivision (3) of this subsection. If an employer is a
2714 monthly remitter, the employer shall pay over to the commissioner the
2715 tax required to be deducted and withheld under this chapter in
2716 accordance with subdivision (4) of this subsection. If an employer is a
2717 quarterly remitter, the employer shall pay over to the commissioner
2718 the tax required to be deducted and withheld under this chapter in
2719 accordance with subdivision (5) of this subsection. Notwithstanding
2720 any provision of this subsection, if an employer is a household
2721 employer, the employer shall pay over to the commissioner the tax
2722 required to be deducted and withheld under this chapter in
2723 accordance with subdivision (6) of this subsection.

2724 (B) With respect to the tax required to be deducted and withheld

2725 under this chapter from nonpayroll amounts paid during any calendar
2726 year beginning on or after January 1, 2005, and in accordance with an
2727 annual determination described in subdivision (2) of this subsection,
2728 each payer shall be either a weekly remitter, monthly remitter or
2729 quarterly remitter for the calendar year. If a payer is a weekly remitter,
2730 the payer shall pay over to the commissioner the tax required to be
2731 deducted and withheld under this chapter in accordance with
2732 subdivision (3) of this subsection. If a payer is a monthly remitter, the
2733 payer shall pay over to the commissioner the tax required to be
2734 deducted and withheld under this chapter in accordance with
2735 subdivision (4) of this subsection. If a payer is a quarterly remitter, the
2736 payer shall pay over to the commissioner the tax required to be
2737 deducted and withheld under this chapter in accordance with
2738 subdivision (5) of this subsection.

2739 (2) (A) The annual determination for an employer required to
2740 deduct and withhold tax under this chapter shall be based on the
2741 employer's reported liability for the tax required to be deducted and
2742 withheld under this chapter during the twelve-month look-back
2743 period, provided, if any employer fails timely to file one or more
2744 required withholding tax returns for the four quarterly periods within
2745 the twelve-month look-back period, the commissioner may base the
2746 annual determination for the employer on any information available to
2747 the commissioner. If an employer's reported liability for the tax
2748 required to be deducted and withheld under this chapter during the
2749 twelve-month look-back period was more than ten thousand dollars,
2750 the employer is a weekly remitter for the calendar year next
2751 succeeding such twelve-month period. If an employer's reported
2752 liability for the tax required to be deducted and withheld under this
2753 chapter during the twelve-month look-back period was more than two
2754 thousand dollars but not more than ten thousand dollars, the employer
2755 is a monthly remitter for the calendar year next succeeding such
2756 twelve-month period. If an employer's reported liability for the tax
2757 required to be deducted and withheld under this chapter during the
2758 twelve-month look-back period was two thousand dollars or less, the

2759 employer is a quarterly remitter for the calendar year next succeeding
2760 such twelve-month period. Notwithstanding any provision of this
2761 section, if an employer is a seasonal employer, the annual
2762 determination shall be based on the seasonal employer's reported
2763 liability for the tax required to be deducted and withheld under this
2764 chapter during the twelve-month look-back period multiplied by a
2765 fraction, the numerator of which is four, and the denominator of which
2766 is the number of quarterly periods during such twelve-month period
2767 that the employer paid wages to employees.

2768 (B) The annual determination for a payer required to deduct and
2769 withhold tax under this chapter shall be based on the payer's reported
2770 liability for the tax required to be deducted and withheld under this
2771 chapter during the look-back calendar year, provided, if any payer
2772 fails timely to file the required withholding tax return for the look-back
2773 calendar year, the commissioner may base the annual determination
2774 for the payer on any information available to the commissioner. If a
2775 payer's reported liability for the tax required to be deducted and
2776 withheld under this chapter during the look-back calendar year was
2777 more than ten thousand dollars, the payer is a weekly remitter for the
2778 calendar year for which the annual determination is being made. If a
2779 payer's reported liability for the tax required to be deducted and
2780 withheld under this chapter during the look-back calendar year was
2781 more than two thousand dollars but not more than ten thousand
2782 dollars, the payer is a monthly remitter for the calendar year for which
2783 the annual determination is being made. If a payer's reported liability
2784 for the tax required to be deducted and withheld under this chapter
2785 during the look-back calendar year was two thousand dollars or less,
2786 the payer is a quarterly remitter for the calendar year for which the
2787 annual determination is being made.

2788 (3) (A) An employer that is a weekly remitter shall pay over to the
2789 department the tax required to be deducted and withheld from wages
2790 under this chapter on or before the Wednesday next succeeding the
2791 weekly period during which the wages from which the tax was

2792 required to be deducted and withheld were paid to employees.

2793 (B) A payer that is a weekly remitter shall pay over to the
2794 department the tax required to be deducted and withheld from
2795 nonpayroll amounts under this chapter on or before the Wednesday
2796 next succeeding the weekly period during which the nonpayroll
2797 amounts from which the tax was required to be deducted and
2798 withheld were paid to payees.

2799 (4) (A) An employer that is a monthly remitter shall pay over to the
2800 department the tax required to be deducted and withheld from wages
2801 under this chapter on or before the fifteenth day of the month next
2802 succeeding the month during which the wages from which the tax was
2803 required to be deducted and withheld were paid to employees.

2804 (B) A payer that is a monthly remitter shall pay over to the
2805 department the tax required to be deducted and withheld from
2806 nonpayroll amounts under this chapter on or before the fifteenth day
2807 of the month next succeeding the month during which the nonpayroll
2808 amounts from which the tax was required to be deducted and
2809 withheld were paid to payees.

2810 (5) (A) An employer that is a quarterly remitter shall pay over to the
2811 department the tax required to be deducted and withheld from wages
2812 under this chapter on or before the last day of the month next
2813 succeeding the quarterly period during which the wages from which
2814 the tax was required to be deducted and withheld were paid to
2815 employees.

2816 (B) A payer that is a quarterly remitter shall pay over to the
2817 department the tax required to be deducted and withheld from
2818 nonpayroll amounts under this chapter on or before the last day of the
2819 month next succeeding the quarterly period during which the
2820 nonpayroll amounts from which the tax was required to be deducted
2821 and withheld were paid to payees.

2822 (6) An employer that is a household employer shall pay over to the
2823 department the tax required to be deducted and withheld under this
2824 chapter on or before the April fifteenth next succeeding the calendar
2825 year during which the wages from which the tax was required to be
2826 deducted and withheld were paid to household employees.

2827 (c) In the case of an overpayment of tax under this chapter by an
2828 employer, refund or credit shall be made to the employer only to the
2829 extent that the amount of such overpayment was not deducted and
2830 withheld by the employer.

2831 (d) The amount of tax required to be deducted and withheld and
2832 paid over to the commissioner under this chapter, when so deducted
2833 and withheld, shall be held to be a special fund in trust for the state.
2834 No employee or other person shall have any right of action against the
2835 employer in respect to any moneys deducted and withheld from
2836 wages and paid over to the commissioner in compliance or in intended
2837 compliance with this chapter.

2838 (e) (1) If an employer required to deduct and withhold tax under
2839 this chapter from the wages of employees and to pay over to the
2840 commissioner the taxes so required to be deducted and withheld sells
2841 out the employer's business or stock of goods or quits the employer's
2842 business, such employer's successors or assigns shall withhold a
2843 sufficient portion of the purchase price to cover the amount of such
2844 taxes, and any interest and penalties thereon, due and unpaid, as of the
2845 time of such sale or quitting of the business, until the employer
2846 produces a receipt from the commissioner showing that the taxes,
2847 interest and penalties have been paid or a certificate indicating that no
2848 such taxes are due.

2849 (2) If the purchaser of a business or stock of goods fails to withhold
2850 a portion of the purchase price as required, the purchaser shall be
2851 personally liable for the payment of the amount required to be
2852 withheld by the purchaser, to the extent of the purchase price, valued
2853 in money. Not later than sixty days after the latest of the dates

2854 specified in subdivision (3) of this subsection, the commissioner shall
2855 either issue a certificate indicating that no taxes are due or mail notice
2856 to the purchaser in the manner provided in section 12-728 of the
2857 amount that must be paid as a condition of issuing the certificate.
2858 Failure of the commissioner to mail the notice shall release the
2859 purchaser from any further obligation to withhold a portion of the
2860 purchase price as provided in this subsection. The period within which
2861 the obligation of the successor may be enforced shall begin when the
2862 employer sells out the employer's business or stock of goods or quits
2863 the business or when the assessment against the employer becomes
2864 final, whichever event occurs later.

3264 contractor" does not include an owner or tenant of real property used
3265 exclusively for residential purposes and consisting of three or fewer

3266 dwelling units, in one of which the owner or tenant resides, provided
3267 each nonresident contractor doing business with such owner or
3268 tenant shall be required to comply with the bond requirements under
3269 subparagraph (F) of this subdivision.

3270 (B) Any person doing business with a nonresident contractor and
3271 making payments of the contract price to such nonresident contractor
3272 shall deduct and withhold from such payments an amount of five per
3273 cent of such payments, unless such nonresident contractor has
3274 furnished a certificate of compliance as described in subparagraph (E)
3275 of this subdivision. The amounts so required to be deducted and
3276 withheld shall be paid over to the commissioner by the last day of the
3277 month following the calendar quarter following the calendar quarter in
3278 which the first payment to the nonresident contractor is made, and
3279 every calendar quarter thereafter. Each such payment to the
3280 commissioner shall be accompanied by a form prescribed by the
3281 commissioner. The amount required to be deducted and withheld
3282 from the nonresident contractor, when so deducted and withheld, shall
3283 be held to be a special fund in trust for the state. No nonresident
3284 contractor shall have any right of action against a person deducting
3285 and withholding under this subdivision with respect to any moneys
3286 deducted and withheld and paid over to the commissioner in
3287 compliance with or intended compliance with this subdivision.

3288 (C) A nonresident contractor shall request, in writing, that the
3289 Commissioner of Revenue Services audit the records of such
3290 contractor for a project for which amounts were deducted and
3291 withheld from such contractor under subparagraph (B) of this
3292 subdivision. If such request is not made within three years after the
3293 date the final payment of such amounts was made to the
3294 commissioner, such contractor waives the right to request such audit
3295 and claim a refund of such amounts. The commissioner shall, after
3296 receipt of such request, conduct an audit and issue to the nonresident
3297 contractor a certificate of no tax due or a certificate of tax due from
3298 the nonresident contractor. Not later than ninety days after the

3299 issuance of a certificate of no tax due, the commissioner shall
3300 return to the nonresident contractor the amounts deducted and
3301 withheld from such contractor and paid over to the commissioner.
3302 Upon issuance of a certificate of taxes due, the commissioner may
3303 return to the nonresident contractor the amount by which the
3304 amounts deducted and withheld and paid over to the
3305 commissioner under subparagraph (B) of this subdivision exceed
3306 the amount of taxes set forth in the certificate, together with the
3307 interest and penalties then assessed.

3308 (D) When a person doing business with the nonresident contractor
3309 pays over to the Commissioner of Revenue Services amounts deducted
3310 and withheld pursuant to subparagraph (B) of this subdivision, such
3311 person shall not be liable for any claim of the nonresident contractor
3312 for such amounts or for any claim of the commissioner for any taxes
3313 of the nonresident contractor arising from the activities of the
3314 nonresident contractor on the project for which the amounts were
3315 paid over. Such payment shall not relieve the person doing business
3316 with the nonresident contractor of such person's liability for use
3317 taxes due on purchases of services from such nonresident contractor.

3318 (E) When a nonresident contractor enters into a contract with the
3319 state, said contractor shall provide the Labor Department with
3320 evidence demonstrating compliance with the provisions of chapters
3321 567 and 568, the prevailing wage requirements of chapter 557 and any
3322 other provisions of the general statutes related to conditions of
3323 employment.

3324 (F) Not later than one hundred twenty days after the
3325 commencement of the contract, or thirty days after the completion of
3326 the contract, whichever is earlier, a nonresident contractor may (i)
3327 furnish a guarantee bond in a sum equivalent to five per cent of the
3328 contract price, or (ii) deposit with the commissioner a cash bond in a
3329 sum equal to five per cent of the contract price, in lieu of the
3330 requirements contained in subparagraph (B) of this subdivision. The

3331 commissioner may accept such bond on such terms and conditions as
3332 the commissioner may require, and upon acceptance of such bond,
3333 shall issue a certificate of compliance to the contractor. The provisions
3334 of subparagraph (C) of this subdivision shall apply to such bond, upon
3335 completion of the contract, in the same manner as such provisions
3336 apply to amounts paid over under subparagraph (B) of this
3337 subdivision.

3338 (G) Upon the furnishing of a certificate of compliance by the
3339 nonresident contractor to the person doing business with a
3340 nonresident contractor, such person shall not be liable for any claim of
3341 the commissioner for any taxes of the nonresident contractor arising
3342 from the activities of such contractor on the project for which the bond
3343 was provided. Such certificate of compliance shall not relieve the
3344 person doing business with the nonresident contractor of such person's
3345 liability for use taxes due on purchases of services from such
3346 nonresident contractor.

3347 (H) If any person doing business with a nonresident contractor fails
3348 to deduct and withhold and pay over to the commissioner amounts
3349 under subparagraph (B) of this subdivision, or fails to obtain a
3350 certificate of compliance from the nonresident contractor pursuant to
3351 subparagraph (G) of this subdivision, such person shall be personally
3352 liable for payment of any taxes of the nonresident contractor arising
3353 from the activities of such contractor on the project for which such
3354 amounts or certificate were required.]

3419 subcontractor who enters into a contract with such contractor or any
3420 subcontractor thereto to perform any part of the contract entered into
3421 by such contractor or subcontractor thereto.

3422 (C) (i) Every prime or general contractor who is an unverified

3423 contractor shall post with the commissioner a good and valid bond

3426 payment of any sums due under this chapter either from such
3427 contractor or from any subcontractor who enters into a contract with
3428 such contractor to perform any part of the contract entered into by
3429 such contractor. The commissioner shall release such contractor from
3430 its obligations under such bond if it has been established, to the
3431 commissioner's satisfaction, that such contractor has met the
3432 requirements of either clause (ii) or (iii) of this subparagraph.

3433 (ii) If a prime or general contractor who is an unverified contractor
3434 establishes, to the satisfaction of the commissioner by submitting such
3435 documentation, including any forms prescribed by the commissioner,
3436 as the commissioner deems necessary, that such contractor has paid all
3437 of the taxes that it owes in connection with the contract and that its
3438 subcontractors who are unverified contractors have paid all of the
3439 taxes that they owe in connection with the contract, the commissioner
3440 shall release such contractor from its obligations under the bond.

3441 (iii) (I) If a prime or general contractor who is an unverified
3442 contractor establishes, to the satisfaction of the commissioner by
3443 submitting such documentation, including any forms prescribed by the

3447 payments being made by such contractor in connection with the
3448 contract to its subcontractors who are unverified contractors, and has
3449 complied with the provisions of either subclause (V) or (VI) of this
3450 clause, as the case may be, the commissioner shall release such
3451 contractor from its obligations under the bond.

3452 (II) Every prime or general contractor who is an unverified
3453 contractor and doing business with a subcontractor who is an
3454 unverified contractor shall hold back an amount equal to five per cent

3455 of such payments otherwise required to be made to such subcontractor
3456 until such subcontractor furnishes such contractor with a certificate of
3457 compliance, as described in this clause, authorizing the full or partial
3458 release of the amount held back from such payments to such
3459 subcontractor. Such contractor shall provide written notice of the
3460 requirement to hold back to each subcontractor who is an unverified
3461 contractor not later than the time of commencement of work under the
3462 contract by such subcontractor.

3463 (III) The amount required to be held back from a subcontractor who
3464 is an unverified contractor, when so held back, shall be held to be a
3465 special fund in trust for the state. No such subcontractor shall have any
3466 right of action against a prime or general contractor holding back
3467 under this clause with respect to any amount held back in compliance
3468 with or intended compliance with this clause.

3469 (IV) Any subcontractor who is an unverified contractor shall, upon
3470 the completion of its work under the contract, request the

3473 request, such documentation, including any forms prescribed by the
3474 commissioner, as the commissioner deems necessary. The
3475 commissioner shall, after receipt of such request and such required
3476 documentation, review the documentation in the context of generally
3477 accepted construction industry cost guidelines for the scope and type
3478 of construction project. Not later than one hundred twenty days after
3479 the receipt by the commissioner of the required documentation, the
3480 commissioner shall either issue a certificate of compliance authorizing
3481 the full or partial release of an amount held back from payments being
3482 made to such subcontractor, or shall be deemed to have issued such
3483 certificate.

3484 (V) If the commissioner issues a certificate of compliance
3485 authorizing a full release of the amount held back from a subcontractor
3486 who is an unverified contractor, the prime or general contractor

3487 holding back such amount shall pay over such amount to such
3488 subcontractor. Such contractor shall not be liable for any claim of the
3489 commissioner for any taxes of such subcontractor arising from the
3490 activities of such subcontractor on the project.

3491 (VI) If the commissioner issues a certificate of compliance
3492 authorizing a partial release of the amount held back from a
3493 subcontractor who is an unverified contractor, the prime or general
3494 contractor holding back such amount shall pay over the released
3495 amount to such subcontractor and shall pay over the unreleased
3496 amount to the commissioner. When such contractor pays over to the
3497 commissioner an amount held back in accordance with this subclause,
3498 such contractor shall not be liable for any claim of such subcontractor
3499 for such amount or for any claim of the commissioner for any taxes of
3500 such subcontractor arising from the activities of such subcontractor on
3501 the project for which the amount was paid over. If the amount that
3502 such contractor is required to pay over to the commissioner is not paid
3503 over on or before the thirtieth day after the date of mailing of such
3504 certificate of compliance, such contractor shall be liable for a penalty
3505 equal to ten per cent of such amount. The amount that such contractor
3506 is required to pay over to the commissioner, and the penalty thereon,
3507 may be collected under the provisions of section 12-35.

3508 (VII) The commissioner shall treat the issuance to a subcontractor
3509 who is an unverified contractor of a certificate of compliance
3510 authorizing a partial release of an amount held back in the same
3511 manner as the issuance to such subcontractor of a notice of assessment
3512 under section 12-415.

3513 (VIII) The issuance to a subcontractor who is an unverified
3514 contractor of a certificate of compliance shall not preclude the
3515 commissioner, in the exercise of the commissioner's authority under
3516 this chapter, from examining the tax returns and books and records of
3517 such subcontractor and, if appropriate and other than in connection
3518 with the project for which the certificate of compliance was issued,

3519 from making an assessment against such subcontractor.

3520 (D) (i) Every prime or general contractor who is either a resident
3521 contractor or a verified contractor and doing business with a
3522 subcontractor who is an unverified contractor shall hold back an
3523 amount equal to five per cent of such payments otherwise required to
3524 be made to such subcontractor until such subcontractor furnishes such
3525 contractor with a certificate of compliance, as described in this
3526 subparagraph, authorizing the full or partial release of the amount
3527 held back from such payments to such subcontractor. Such contractor
3528 shall provide written notice of the requirement to hold back to each
3529 subcontractor who is an unverified contractor not later than the time of
3530 commencement of work under the contract by such subcontractor.

3531 (ii) The amount required to be held back from a subcontractor who
3532 is an unverified contractor, when so held back, shall be held to be a
3533 special fund in trust for the state. No such subcontractor shall have any
3534 right of action against a prime or general contractor holding back
3535 under this subparagraph with respect to any amount held back in
3536 compliance with or intended compliance with this subparagraph.

3537 (iii) A subcontractor who is an unverified contractor shall, upon the
3538 completion of its work under the contract, request the commissioner,
3539 in writing, for the issuance of a certificate of compliance to such
3540 subcontractor. Such subcontractor shall submit, with such request,
3541 such documentation, including any forms prescribed by the
3542 commissioner, as the commissioner deems necessary. The
3543 commissioner shall, after receipt of such request and such required
3544 documentation, review the documentation in the context of generally
3545 accepted construction industry cost guidelines for the scope and type
3546 of construction project. Not later than one hundred twenty days after
3547 the receipt by the commissioner of the required documentation, the
3548 commissioner shall either issue a certificate of compliance authorizing
3549 the full or partial release of an amount held back from payments being
3550 made to such subcontractor or shall be deemed to have issued such

3551 certificate.

3552 (iv) If the commissioner issues a certificate of compliance
3553 authorizing a full release of the amount held back from a subcontractor
3554 who is an unverified contractor, the prime or general contractor
3555 holding back such amount shall pay over such amount to such
3556 subcontractor. Such contractor shall not be liable for any claim of the
3557 commissioner for any taxes of such subcontractor arising from the
3558 activities of such subcontractor on the project.

3559 (v) If the commissioner issues a certificate of compliance authorizing
3560 a partial release of the amount held back from a subcontractor who is
3561 an unverified contractor, the prime or general contractor holding back
3562 such amount shall pay over the released amount to such subcontractor
3563 and shall pay over the unreleased amount to the commissioner. When
3564 such contractor pays over to the commissioner an amount held back in
3565 accordance with this clause, such contractor shall not be liable for any
3566 claim of such subcontractor for such amount or for any claim of the
3567 commissioner for any taxes of such subcontractor arising from the
3568 activities of such subcontractor on the project for which the amount
3569 was paid over. If the amount that such contractor is required to pay
3570 over to the commissioner is not paid over on or before the thirtieth day
3571 after the date of mailing of such certificate of compliance, such
3572 contractor shall be liable for a penalty equal to ten per cent of such
3573 amount. The amount that such contractor is required to pay over to the
3574 commissioner, and the penalty thereon, may be collected under the
3575 provisions of section 12-35.

3576 (vi) The commissioner shall treat the issuance to a subcontractor
3577 who is an unverified contractor of a certificate of compliance
3578 authorizing a partial release of an amount held back in the same
3579 manner as the issuance to such subcontractor of a notice of assessment
3580 under section 12-415.

3581 (vii) The issuance to a subcontractor who is an unverified contractor
3582 of a certificate of compliance shall not preclude the commissioner, in

3583 the exercise of the commissioner's authority under this chapter, from
3584 examining the tax returns and books and records of such subcontractor
3585 and, if appropriate and other than in connection with the project for
3586 which the certificate of compliance was issued, from making an
3587 assessment against such subcontractor.

3588 (E) When a nonresident contractor enters into a contract with the
3589 state, such contractor shall provide the Labor Department with
3590 evidence demonstrating compliance with the provisions of chapters
3591 567 and 568, the prevailing wage requirements of chapter 557 and any
3592 other provisions of the general statutes related to conditions of
3593 employment.

3594 (F) (i) If any person doing business with an unverified prime or
3595 general contractor fails to comply with the provisions of this
3596 subdivision, such person shall, except as otherwise provided by clause
3597 (ii) of this subparagraph, be personally liable for payment of any taxes
3598 of the unverified contractor arising from the activities of such
3599 contractor on the project. For purposes of this clause, "taxes of the
3600 unverified contractor" means any sales or use taxes owed by the
3601 unverified contractor under this chapter and any income tax
3602 withholding owed by the unverified contractor pursuant to chapter
3603 229.

3604 (ii) Except as otherwise provided in clause (iii) of this subparagraph,
3605 the personal liability of any person doing business with an unverified
3606 prime or general contractor for payment of any taxes of such
3607 unverified contractor arising from the activities of such contractor on
3608 the project shall not exceed an amount equal to five per cent of the
3609 contract price required to be paid to such unverified contractor.

3610 (iii) Notwithstanding the provisions of clause (ii) of this
3611 subparagraph, any person doing business with an unverified prime or
3612 general contractor shall, in addition to such person's personal liability
3613 under clause (ii) of this subparagraph, remain liable for use taxes due
3614 on purchases of services from such unverified contractor in connection

3615 with the project.

3616 (G) The provisions of this subdivision shall not apply to any
3617 contract in which the contract price for the entire project is less than
3618 two hundred fifty thousand dollars.

3619 (H) (i) The commissioner shall treat as a verified contractor or
3620 subcontractor every nonresident contractor or subcontractor who (I)
3621 has been registered for all applicable taxes with the department for at
3622 least three years preceding the contract; and (II) has filed all required
3623 tax returns with the department and has no outstanding tax liabilities
3624 to the department.

3625 (ii) The commissioner shall treat as a verified contractor or
3626 subcontractor every nonresident contractor or subcontractor not
3627 otherwise eligible to be treated as a verified contractor or
3628 subcontractor pursuant to clause (i) of this subparagraph who (I) is
3629 registered for all applicable taxes with the department; (II) has filed all
3630 required tax returns with the department and has no outstanding tax
3631 liabilities to the department; and (III) posts with the commissioner a
3632 good and valid bond with a surety company authorized to do business
3633 in this state in an amount determined by the commissioner, as
3634 provided in subdivision (1) of this section.

3635 (I) Notwithstanding the provisions of section 12-15, the
3636 commissioner shall, upon request, verify whether or not a nonresident
3637 contractor or subcontractor is a verified contractor.

3638 (J) Notwithstanding the provisions of section 12-15, the
3639 commissioner shall, upon request, disclose to a person doing business
3640 with a subcontractor who is an unverified contractor and otherwise
3641 required by this subdivision to hold back an amount from payments
3642 being made to such subcontractor, whether a certificate of compliance
3643 has been requested by, or issued to, such subcontractor by the
3644 commissioner, and the commissioner may disclose a copy of such
3645 certificate to such person doing business with such subcontractor.

3646 (K) Notwithstanding the provisions of section 12-15, the
 3647 commissioner shall, upon request, disclose to a person doing business
 3648 with a prime or general contractor who is an unverified contractor
 3649 whether a good and valid bond with a surety company authorized to
 3650 do business in this state has been posted with the commissioner by
 3651 such prime or general contractor.

3652 (L) Notwithstanding the provisions of section 12-15, the
 3653 commissioner shall, upon request, verify whether or not any contractor
 3654 or subcontractor is a resident contractor.

4953 outpatient hospital services to be effective on and after January 1, 1995,
4954 and may annually modify such fee schedule if such modification is
4955 needed to ensure that the conversion to an administrative services
4956 organization is cost neutral to hospitals in the aggregate and ensures
4957 patient access. Utilization shall not be a factor in determining cost
4958 neutrality. Except with respect to the rate periods beginning July 1,
4959 1999, and July 1, 2000, such fee schedule shall be adjusted annually
4960 beginning July 1, 1996, to reflect necessary increases in the cost of
4961 services. Notwithstanding the provisions of this subsection, the fee
4962 schedule for the rate period beginning July 1, 2000, shall be increased
4963 by ten and one-half per cent, effective June 1, 2001. Notwithstanding
4964 the provisions of this subsection, outpatient rates in effect as of June 30,
4965 2003, shall remain in effect through June 30, 2005. Effective July 1, 2006,
4966 subject to available appropriations, the commissioner shall increase
4967 outpatient service fees for services that may include clinic, emergency
4968 room, magnetic resonance imaging, and computerized axial
4969 tomography.

4970 Sec. 123. Subsection (a) of section 17b-242 of the general statutes, as
4971 amended by section 114 of public act 11-44, is repealed and the
4972 following is substituted in lieu thereof (*Effective July 1, 2011*):

4973 (a) The Department of Social Services shall determine the rates to be
4974 paid to home health care agencies and homemaker-home health aide
4975 agencies by the state or any town in the state for persons aided or
4976 cared for by the state or any such town. For the period from February
4977 1, 1991, to January 31, 1992, inclusive, payment for each service to the
4978 state shall be based upon the rate for such service as determined by the
4979 Office of Health Care Access, except that for those providers whose
4980 Medicaid rates for the year ending January 31, 1991, exceed the median
4981 rate, no increase shall be allowed. For those providers whose rates for
4982 the year ending January 31, 1991, are below the median rate, increases
4983 shall not exceed the lower of the prior rate increased by the most
4984 recent annual increase in the consumer price index for urban
4985 consumers or the median rate. In no case shall any such rate exceed the

4986 eightieth percentile of rates in effect January 31, 1991, nor shall any rate
4987 exceed the charge to the general public for similar services. Rates
4988 effective February 1, 1992, shall be based upon rates as determined by
4989 the Office of Health Care Access, except that increases shall not exceed
4990 the prior year's rate increased by the most recent annual increase in the
4991 consumer price index for urban consumers and rates effective
4992 February 1, 1992, shall remain in effect through June 30, 1993. Rates
4993 effective July 1, 1993, shall be based upon rates as determined by the
4994 Office of Health Care Access except if the Medicaid rates for any
4995 service for the period ending June 30, 1993, exceed the median rate for
4996 such service, the increase effective July 1, 1993, shall not exceed one
4997 per cent. If the Medicaid rate for any service for the period ending June
4998 30, 1993, is below the median rate, the increase effective July 1, 1993,
4999 shall not exceed the lower of the prior rate increased by one and one-
5000 half times the most recent annual increase in the consumer price index
5001 for urban consumers or the median rate plus one per cent. The
5002 Commissioner of Social Services shall establish a fee schedule for home
5003 health services to be effective on and after July 1, 1994. The
5004 commissioner may annually modify such fee schedule if such
5005 modification is needed to ensure that the conversion to an
5006 administrative services organization is cost neutral to home health care
5007 agencies and homemaker-home health aide agencies in the aggregate
5008 and ensures patient access. Utilization shall not be a factor in
5009 determining cost neutrality. The commissioner shall increase the fee
5010 schedule for home health services provided under the Connecticut
5011 home-care program for the elderly established under section 17b-342,
5012 effective July 1, 2000, by two per cent over the fee schedule for home
5013 health services for the previous year. The commissioner may increase
5014 any fee payable to a home health care agency or homemaker-home
5015 health aide agency upon the application of such an agency evidencing
5016 extraordinary costs related to (1) serving persons with AIDS; (2) high-
5017 risk maternal and child health care; (3) escort services; or (4) extended
5018 hour services. In no case shall any rate or fee exceed the charge to the
5019 general public for similar services. A home health care agency or

5020 homemaker-home health aide agency which, due to any material
5021 change in circumstances, is aggrieved by a rate determined pursuant
5022 to this subsection may, within ten days of receipt of written notice of
5023 such rate from the Commissioner of Social Services, request in writing
5024 a hearing on all items of aggrievement. The commissioner shall, upon
5025 the receipt of all documentation necessary to evaluate the request,
5026 determine whether there has been such a change in circumstances and
5027 shall conduct a hearing if appropriate. The Commissioner of Social
5028 Services shall adopt regulations, in accordance with chapter 54, to
5029 implement the provisions of this subsection. The commissioner may
5030 implement policies and procedures to carry out the provisions of this
5031 subsection while in the process of adopting regulations, provided
5032 notice of intent to adopt the regulations is published in the Connecticut
5033 Law Journal within twenty days of implementing the policies and
5034 procedures. Such policies and procedures shall be valid for not longer
5035 than nine months.

5036 Sec. 124. Section 17b-261m of the general statutes, as amended by
5037 section 115 of public act 11-44, is repealed and the following is
5038 substituted in lieu thereof (*Effective July 1, 2011*):

5039 (a) The Commissioner of Social Services may contract with one or
5040 more administrative services organizations to provide care
5041 coordination, utilization management, disease management, customer
5042 service and review of grievances for recipients of assistance under
5043 Medicaid, HUSKY Plan, Parts A and B, and the Charter Oak Health
5044 Plan. Such organization may also provide network management,
5045 credentialing of providers, monitoring of copayments and premiums
5046 and other services as required by the commissioner. Subject to
5047 approval by applicable federal authority, the Department of Social
5048 Services shall utilize the contracted organization's provider network
5049 and billing systems in the administration of the program. In order to
5050 implement the provisions of this section, the commissioner may
5051 establish rates of payment to providers of medical services under this
5052 section if the establishment of such rates is required to ensure that any

5053 contract entered into with an administrative services organization
5054 pursuant to this section is cost neutral to such providers in the
5055 aggregate and ensures patient access. Utilization shall not be a factor in
5056 determining cost neutrality.

5057 (b) Any contract entered into with an administrative services
5058 organization, pursuant to subsection (a) of this section, shall include a
5059 provision to reduce inappropriate use of hospital emergency
5060 department services. Such provision may include intensive case
5061 management services and a cost-sharing requirement.

5062 Sec. 125. Subsection (b) of section 17b-276 of the general statutes, as
5063 amended by section 130 of public act 11-44, is repealed and the
5064 following is substituted in lieu thereof (*Effective July 1, 2011*):

5065 (b) Notwithstanding any other provision of the general statutes, for
5066 purposes of administering medical assistance programs, including, but
5067 not limited to, programs administered pursuant to Title XIX or Title
5068 XXI of the Social Security Act, the Department of Social Services shall
5069 be the sole state agency that sets emergency and nonemergency
5070 medical transportation fees or fee schedules for any transportation
5071 services that are reimbursed by the department for said medical
5072 assistance programs. Effective July 1, 2011, the Commissioner of Social
5073 Services shall reduce, by not more than ten per cent, the rates in effect
5074 on December 31, 2010, for emergency ambulance transportation fees
5075 that are directly reimbursed by the Department of Social Services,
5076 provided the commissioner may increase such rates at such time when
5077 the commissioner determines there are sufficient funds and a
5078 reasonable need for such rate increase.

5079 Sec. 126. Subsection (d) of section 17b-265 of the general statutes, as
5080 amended by section 84 of public act 11-44, is repealed and the
5081 following is substituted in lieu thereof (*Effective July 1, 2011*):

5082 (d) When a recipient of medical assistance has personal health
5083 insurance in force covering care or other benefits provided under such

5084 program, payment or part-payment of the premium for such insurance
 5085 may be made when deemed appropriate by the Commissioner of
 5086 Social Services. Effective January 1, 1992, the commissioner shall limit
 5087 reimbursement to medical assistance providers, except those providers
 5088 whose rates are established by the Commissioner of Public Health
 5089 pursuant to chapter 368d, for coinsurance and deductible payments
 5090 under Title XVIII of the Social Security Act to assure that the combined
 5091 Medicare and Medicaid payment to the provider shall not exceed the
 5092 maximum allowable under the Medicaid program fee schedules. [For
 5093 those providers whose rates are established by the Commissioner of
 5094 Public Health pursuant to chapter 368d, the Commissioner of Social
 5095 Services shall limit reimbursement for coinsurance and deductible
 5096 payments under Title XVIII of the Social Security Act to assure that the
 5097 combined Medicare and Medicaid payment to the provider does not
 5098 exceed the maximum allowable under the Medicaid program fee
 5099 schedules plus a percentage established by the Commissioner of Social
 5100 Services.]

5101 Sec. 127. Subsection (e) of section 17b-499a of the general statutes, as
 5102 amended by section 143 of public act 11-44, is repealed and the
 5103 following is substituted in lieu thereof (*Effective July 1, 2011*):

5104 (e) The Commissioner of Social Services shall contract with a
 5105 patient-centered medical home, health home or a pharmacy
 5106 organization, which may include a school of pharmacy, to provide
 5107 Medicaid therapy management services, including, but not limited to,
 5108 (1) a review of the medical and prescription history of recipients of
 5109 benefits under the Medicaid program, and (2) the development of
 5110 patient medication action plans to reduce adverse medication
 5111 interaction and related health problems.

5112 Sec. 128. Section 10-286e of the general statutes is repealed and the
 5113 following is substituted in lieu thereof (*Effective July 1, 2011*):

5114 (a) If the Department of [Education] Construction Services does not
 5115 complete an audit of a school building project during the five-year

5116 period from the date the school district files a notice of project
5117 completion with the department, the department shall conduct a
5118 limited scope audit of such project. The limited scope audit shall
5119 review (1) the total amount of expenditures reported, (2) any off-site
5120 improvements, (3) adherence to authorized space specifications, (4)
5121 interest costs on temporary notes and bonds, and (5) any other matter
5122 the Commissioner of [Education] Construction Services deems
5123 appropriate.

5124 (b) The department shall not make any adjustment to a school
5125 construction grant based on the result of an audit finding that a change
5126 order was not publicly bid.

5127 (c) Notwithstanding the provisions of this section, the
5128 Commissioner of Construction Services may waive any audit
5129 deficiencies found during an audit of a school building project
5130 conducted pursuant to this section if the commissioner determines that
5131 granting such waiver is in the best interest of the state.

5132 Sec. 129. Section 10-264h of the general statutes, as amended by
5133 section 125 of house bill 6650 of the current session, is repealed and the
5134 following is substituted in lieu thereof (*Effective July 1, 2011*):

5135 (a) For the fiscal year ending June 30, 1996, until the fiscal year

5140 expenditure for the purchase, construction, extension, replacement,
5141 leasing or major alteration of interdistrict magnet school facilities,
5142 including any expenditure for the purchase of equipment, in
5143 accordance with this section. For the fiscal year ending June 30, 2004,
5144 until the fiscal year ending June 30, 2011, the following entities that
5145 operate an interdistrict magnet school that assists the state in meeting
5146 the goals of the 2008 stipulation and order for Milo Sheff, et al. v.
5147 William A. O'Neill, et al., as determined by the Commissioner of

5148 Education may be eligible for reimbursement up to ninety-five per cent
5149 of such cost: (1) The Board of Trustees of the Community-Technical
5150 Colleges on behalf of a regional community-technical college, (2) the

5161 eligible cost of such project. To be eligible for reimbursement under
5162 this section a magnet school construction project shall meet the
5163 requirements for a school building project established in chapter 173,
5164 except that the Commissioner of Construction Services, in consultation
5165 with the Commissioner of Education, may waive any requirement in
5166 such chapter for good cause. On and after July 1, 2011, [the] the
5167 Commissioner of Construction Services shall approve only
5168 applications for reimbursement under this section that the
5169 Commissioner of Education finds will reduce racial, ethnic and
5170 economic isolation. Applications for reimbursement under this section
5171 for the construction of new interdistrict magnet schools shall not be
5172 accepted until the Commissioner of Education develops a
5173 comprehensive state-wide interdistrict magnet school plan, in
5174 accordance with the provisions of subdivision (1) of subsection (b) of
5175 section 10-264l, unless the Commissioner of Education determines that
5176 such construction will assist the state in meeting the goals of the 2008

The Commissioner of Education shall notify the Commissioner of Construction Services and the secretary of the State Bond Commission when the provisions of subdivisions (1) and (3) of this subsection have been met. Upon application to the Commissioner of Education, compliance with the provisions of subdivisions (1) and (3) of this subsection and after authorization by the General Assembly pursuant to section 10-283, as amended by [this act] house bill 6650 of the current session, the applicant shall be eligible to receive progress payments in accordance with the provisions of section 10-287i.

(c) (1) If the school building ceases to be used as an interdistrict magnet school facility and the grant was provided for the purchase or construction of the facility, the Commissioner of Construction Services, in consultation with the Commissioner of Education, shall determine whether (A) title to the building and any legal interest in appurtenant land shall revert to the state, or (B) the school district shall reimburse the state an amount equal to the difference between the amount received pursuant to this section and the amount the district would have been eligible to receive based on the percentage determined pursuant to section 10-285a, as amended by [this act] house bill 6650 of the current session, multiplied by the estimated eligible project costs.

5218 subdivision (1) of this subsection. A school district receiving a request
5219 for reimbursement pursuant to this subdivision shall reimburse the
5220 state not later than the close of the fiscal year following the year in
5221 which the request is made. If the school district fails to so reimburse
5222 the state, the Department of Construction Services may request the
5223 Department of Education to withhold such amount from the total sum
5224 which is paid from the State Treasury to such school district or the
5225 town in which it is located or, in the case of a regional school district,
5226 the towns which comprise the school district. If the amount paid from
5227 the State Treasury is less than the amount due, the Department of
5228 Construction Services may refer the matter to the Department of
5229 Administrative Services for collection.

5230 (d) The Commissioner of Construction Services shall provide for a
5231 final audit of all project expenditures pursuant to this section and may
5232 require repayment of any ineligible expenditures, except that the
5233 Commissioner of Construction Services may waive any audit
5234 deficiencies found during a final audit of all project expenditures
5235 pursuant to this section if the Commissioner of Construction Services
5236 determines that granting such waiver is in the best interest of the state.

5237 Sec. 130. (NEW) (*Effective July 1, 2011*) Notwithstanding the
5238 provisions of chapter 173 of the general statutes, the Commissioner of

6164 (a) The rates to be paid by or for persons aided or cared for by the
6165 state or any town in this state to licensed chronic and convalescent
6166 nursing homes, to chronic disease hospitals associated with chronic
6167 and convalescent nursing homes, to rest homes with nursing
6168 supervision, to licensed residential care homes, as defined by section

6169 19a-490, and to residential facilities for the mentally retarded which are
6170 licensed pursuant to section 17a-227 and certified to participate in the
6171 Title XIX Medicaid program as intermediate care facilities for the
6172 mentally retarded, for room, board and services specified in licensing
6173 regulations issued by the licensing agency shall be determined
6174 annually, except as otherwise provided in this subsection, after a
6175 public hearing, by the Commissioner of Social Services, to be effective
6176 July first of each year except as otherwise provided in this subsection.
6177 Such rates shall be determined on a basis of a reasonable payment for
6178 such necessary services, which basis shall take into account as a factor
6179 the costs of such services. Cost of such services shall include
6180 reasonable costs mandated by collective bargaining agreements with
6181 certified collective bargaining agents or other agreements between the
6182 employer and employees, provided "employees" shall not include
6183 persons employed as managers or chief administrators or required to
6184 be licensed as nursing home administrators, and compensation for
6185 services rendered by proprietors at prevailing wage rates, as
6186 determined by application of principles of accounting as prescribed by
6187 said commissioner. Cost of such services shall not include amounts
6188 paid by the facilities to employees as salary, or to attorneys or
6189 consultants as fees, where the responsibility of the employees,
6190 attorneys, or consultants is to persuade or seek to persuade the other
6191 employees of the facility to support or oppose unionization. Nothing
6192 in this subsection shall prohibit inclusion of amounts paid for legal
6193 counsel related to the negotiation of collective bargaining agreements,
6194 the settlement of grievances or normal administration of labor
6195 relations. The commissioner may, in his discretion, allow the inclusion
6196 of extraordinary and unanticipated costs of providing services which
6197 were incurred to avoid an immediate negative impact on the health
6198 and safety of patients. The commissioner may, in his discretion, based
6199 upon review of a facility's costs, direct care staff to patient ratio and
6200 any other related information, revise a facility's rate for any increases
6201 or decreases to total licensed capacity of more than ten beds or changes
6202 to its number of licensed rest home with nursing supervision beds and

6203 chronic and convalescent nursing home beds. The commissioner may
6204 so revise a facility's rate established for the fiscal year ending June 30,
6205 1993, and thereafter for any bed increases, decreases or changes in
6206 licensure effective after October 1, 1989. Effective July 1, 1991, in
6207 facilities which have both a chronic and convalescent nursing home
6208 and a rest home with nursing supervision, the rate for the rest home
6209 with nursing supervision shall not exceed such facility's rate for its
6210 chronic and convalescent nursing home. All such facilities for which
6211 rates are determined under this subsection shall report on a fiscal year
6212 basis ending on the thirtieth day of September. Such report shall be
6213 submitted to the commissioner by the thirty-first day of December. The
6214 commissioner may reduce the rate in effect for a facility which fails to
6215 report on or before such date by an amount not to exceed ten per cent
6216 of such rate. The commissioner shall annually, on or before the
6217 fifteenth day of February, report the data contained in the reports of
6218 such facilities to the joint standing committee of the General Assembly
6219 having cognizance of matters relating to appropriations. For the cost
6220 reporting year commencing October 1, 1985, and for subsequent cost
6221 reporting years, facilities shall report the cost of using the services of
6222 any nursing pool employee by separating said cost into two categories,
6223 the portion of the cost equal to the salary of the employee for whom
6224 the nursing pool employee is substituting shall be considered a
6225 nursing cost and any cost in excess of such salary shall be further
6226 divided so that seventy-five per cent of the excess cost shall be
6227 considered an administrative or general cost and twenty-five per cent
6228 of the excess cost shall be considered a nursing cost, provided if the
6229 total nursing pool costs of a facility for any cost year are equal to or
6230 exceed fifteen per cent of the total nursing expenditures of the facility
6231 for such cost year, no portion of nursing pool costs in excess of fifteen
6232 per cent shall be classified as administrative or general costs. The
6233 commissioner, in determining such rates, shall also take into account
6234 the classification of patients or boarders according to special care
6235 requirements or classification of the facility according to such factors
6236 as facilities and services and such other factors as he deems reasonable,

6237 including anticipated fluctuations in the cost of providing such
6238 services. The commissioner may establish a separate rate for a facility
6239 or a portion of a facility for traumatic brain injury patients who require
6240 extensive care but not acute general hospital care. Such separate rate
6241 shall reflect the special care requirements of such patients. If changes
6242 in federal or state laws, regulations or standards adopted subsequent
6243 to June 30, 1985, result in increased costs or expenditures in an amount
6244 exceeding one-half of one per cent of allowable costs for the most
6245 recent cost reporting year, the commissioner shall adjust rates and
6246 provide payment for any such increased reasonable costs or
6247 expenditures within a reasonable period of time retroactive to the date
6248 of enforcement. Nothing in this section shall be construed to require
6249 the Department of Social Services to adjust rates and provide payment
6250 for any increases in costs resulting from an inspection of a facility by
6251 the Department of Public Health. Such assistance as the commissioner
6252 requires from other state agencies or departments in determining rates
6253 shall be made available to him at his request. Payment of the rates
6254 established hereunder shall be conditioned on the establishment by
6255 such facilities of admissions procedures which conform with this
6256 section, section 19a-533 and all other applicable provisions of the law
6257 and the provision of equality of treatment to all persons in such
6258 facilities. The established rates shall be the maximum amount
6259 chargeable by such facilities for care of such beneficiaries, and the
6260 acceptance by or on behalf of any such facility of any additional
6261 compensation for care of any such beneficiary from any other person
6262 or source shall constitute the offense of aiding a beneficiary to obtain
6263 aid to which he is not entitled and shall be punishable in the same
6264 manner as is provided in subsection (b) of section 17b-97. For the fiscal
6265 year ending June 30, 1992, rates for licensed residential care homes and
6266 intermediate care facilities for the mentally retarded may receive an
6267 increase not to exceed the most recent annual increase in the Regional
6268 Data Resources Incorporated McGraw-Hill Health Care Costs:
6269 Consumer Price Index (all urban)-All Items. Rates for newly certified
6270 intermediate care facilities for the mentally retarded shall not exceed

6271 one hundred fifty per cent of the median rate of rates in effect on
6272 January 31, 1991, for intermediate care facilities for the mentally
6273 retarded certified prior to February 1, 1991. Notwithstanding any
6274 provision of this section, the Commissioner of Social Services may,
6275 within available appropriations, provide an interim rate increase for a
6276 licensed chronic and convalescent nursing home or a rest home with
6277 nursing supervision for rate periods no earlier than April 1, 2004, only
6278 if the commissioner determines that the increase is necessary to avoid
6279 the filing of a petition for relief under Title 11 of the United States
6280 Code; imposition of receivership pursuant to sections 19a-541 to 19a-
6281 549, inclusive; or substantial deterioration of the facility's financial
6282 condition that may be expected to adversely affect resident care and
6283 the continued operation of the facility, and the commissioner
6284 determines that the continued operation of the facility is in the best
6285 interest of the state. The commissioner shall consider any requests for
6286 interim rate increases on file with the department from March 30, 2004,
6287 and those submitted subsequently for rate periods no earlier than
6288 April 1, 2004. When reviewing a rate increase request the
6289 commissioner shall, at a minimum, consider: (1) Existing chronic and
6290 convalescent nursing home or rest home with nursing supervision
6291 utilization in the area and projected bed need; (2) physical plant long-
6292 term viability and the ability of the owner or purchaser to implement
6293 any necessary property improvements; (3) licensure and certification
6294 compliance history; (4) reasonableness of actual and projected
6295 expenses; and (5) the ability of the facility to meet wage and benefit
6296 costs. No rate shall be increased pursuant to this subsection in excess
6297 of one hundred fifteen per cent of the median rate for the facility's peer
6298 grouping, established pursuant to subdivision (2) of subsection (f) of
6299 this section, unless recommended by the commissioner and approved
6300 by the Secretary of the Office of Policy and Management after
6301 consultation with the commissioner. Such median rates shall be
6302 published by the Department of Social Services not later than April
6303 first of each year. In the event that a facility granted an interim rate
6304 increase pursuant to this section is sold or otherwise conveyed for

6305 value to an unrelated entity less than five years after the effective date
6306 of such rate increase, the rate increase shall be deemed rescinded and
6307 the department shall recover an amount equal to the difference
6308 between payments made for all affected rate periods and payments
6309 that would have been made if the interim rate increase was not
6310 granted. The commissioner may seek recovery from payments made to
6311 any facility with common ownership. With the approval of the
6312 Secretary of the Office of Policy and Management, the commissioner
6313 may waive recovery and rescission of the interim rate for good cause
6314 shown that is not inconsistent with this section, including, but not
6315 limited to, transfers to family members that were made for no value.
6316 The commissioner shall provide written quarterly reports to the joint
6317 standing committees of the General Assembly having cognizance of
6318 matters relating to human services and appropriations and the budgets
6319 of state agencies and to the select committee of the General Assembly
6320 having cognizance of matters relating to aging, that identify each
6321 facility requesting an interim rate increase, the amount of the
6322 requested rate increase for each facility, the action taken by the
6323 commissioner and the secretary pursuant to this subsection, and
6324 estimates of the additional cost to the state for each approved interim
6325 rate increase. Nothing in this subsection shall prohibit the
6326 commissioner from increasing the rate of a licensed chronic and
6327 convalescent nursing home or a rest home with nursing supervision
6328 for allowable costs associated with facility capital improvements or
6329 increasing the rate in case of a sale of a licensed chronic and
6330 convalescent nursing home or a rest home with nursing supervision,
6331 pursuant to subdivision [(16)] (15) of subsection (f) of this section, if
6332 receivership has been imposed on such home.

6333 (b) The Commissioner of Social Services shall adopt regulations in
6334 accordance with the provisions of chapter 54 to specify other allowable
6335 services. For purposes of this section, other allowable services means
6336 those services required by any medical assistance beneficiary residing
6337 in such home or hospital which are not already covered in the rate set
6338 by the commissioner in accordance with the provisions of subsection

6339 (a) of this section.

6340 (c) No facility subject to the requirements of this section shall accept
6341 payment in excess of the rate set by the commissioner pursuant to
6342 subsection (a) of this section for any medical assistance patient from
6343 this or any other state. No facility shall accept payment in excess of the
6344 reasonable and necessary costs of other allowable services as specified
6345 by the commissioner pursuant to the regulations adopted under
6346 subsection (b) of this section for any public assistance patient from this
6347 or any other state. Notwithstanding the provisions of this subsection,
6348 the commissioner may authorize a facility to accept payment in excess
6349 of the rate paid for a medical assistance patient in this state for a
6350 patient who receives medical assistance from another state.

6351 (d) In any instance where the Commissioner of Social Services finds
6352 that a facility subject to the requirements of this section is accepting
6353 payment for a medical assistance beneficiary in violation of subsection
6354 (c) of this section, the commissioner shall proceed to recover through
6355 the rate set for the facility any sum in excess of the stipulated per diem
6356 and other allowable costs, as provided for in regulations adopted
6357 pursuant to subsections (a) and (b) of this section. The commissioner
6358 shall make the recovery prospectively at the time of the next annual
6359 rate redetermination.

6360 (e) Except as provided in this subsection, the provisions of
6361 subsections (c) and (d) of this section shall not apply to any facility
6362 subject to the requirements of this section, which on October 1, 1981,
6363 (1) was accepting payments from the commissioner in accordance with
6364 the provisions of subsection (a) of this section, (2) was accepting
6365 medical assistance payments from another state for at least twenty per
6366 cent of its patients, and (3) had not notified the commissioner of any
6367 intent to terminate its provider agreement, in accordance with section
6368 17b-271, provided no patient residing in any such facility on May 22,
6369 1984, shall be removed from such facility for purposes of meeting the
6370 requirements of this subsection. If the commissioner finds that the

6371 number of beds available to medical assistance patients from this state
6372 in any such facility is less than fifteen per cent the provisions of
6373 subsections (c) and (d) of this section shall apply to that number of
6374 beds which is less than said percentage.

6375 (f) For the fiscal year ending June 30, 1992, the rates paid by or for
6376 persons aided or cared for by the state or any town in this state to
6377 facilities for room, board and services specified in licensing regulations
6378 issued by the licensing agency, except intermediate care facilities for
6379 the mentally retarded and residential care homes, shall be based on the
6380 cost year ending September 30, 1989. For the fiscal years ending June
6381 30, 1993, and June 30, 1994, such rates shall be based on the cost year
6382 ending September 30, 1990. Such rates shall be determined by the
6383 Commissioner of Social Services in accordance with this section and
6384 the regulations of Connecticut state agencies promulgated by the
6385 commissioner and in effect on April 1, 1991, except that:

6386 (1) Allowable costs shall be divided into the following five cost
6387 components: Direct costs, which shall include salaries for nursing
6388 personnel, related fringe benefits and nursing pool costs; indirect costs,
6389 which shall include professional fees, dietary expenses, housekeeping
6390 expenses, laundry expenses, supplies related to patient care, salaries
6391 for indirect care personnel and related fringe benefits; fair rent, which
6392 shall be defined in accordance with subsection (f) of section 17-311-52
6393 of the regulations of Connecticut state agencies; capital-related costs,
6394 which shall include property taxes, insurance expenses, equipment
6395 leases and equipment depreciation; and administrative and general
6396 costs, which shall include maintenance and operation of plant
6397 expenses, salaries for administrative and maintenance personnel and
6398 related fringe benefits. The commissioner may provide a rate
6399 adjustment for nonemergency transportation services required by
6400 nursing facility residents. Such adjustment shall be a fixed amount
6401 determined annually by the commissioner based upon a review of
6402 costs and other associated information. Allowable costs shall not
6403 include costs for ancillary services payable under Part B of the

6404 Medicare program.

6405 (2) Two geographic peer groupings of facilities shall be established
6406 for each level of care, as defined by the Department of Social Services
6407 for the determination of rates, for the purpose of determining
6408 allowable direct costs. One peer grouping shall be comprised of those
6409 facilities located in Fairfield County. The other peer grouping shall be
6410 comprised of facilities located in all other counties.

6411 (3) For the fiscal year ending June 30, 1992, per diem maximum
6412 allowable costs for each cost component shall be as follows: For direct
6413 costs, the maximum shall be equal to one hundred forty per cent of the
6414 median allowable cost of that peer grouping; for indirect costs, the
6415 maximum shall be equal to one hundred thirty per cent of the state-
6416 wide median allowable cost; for fair rent, the amount shall be
6417 calculated utilizing the amount approved by the Office of Health Care
6418 Access pursuant to section 19a-638; for capital-related costs, there shall
6419 be no maximum; and for administrative and general costs, the
6420 maximum shall be equal to one hundred twenty-five per cent of the
6421 state-wide median allowable cost. For the fiscal year ending June 30,
6422 1993, per diem maximum allowable costs for each cost component
6423 shall be as follows: For direct costs, the maximum shall be equal to one
6424 hundred forty per cent of the median allowable cost of that peer
6425 grouping; for indirect costs, the maximum shall be equal to one
6426 hundred twenty-five per cent of the state-wide median allowable cost;
6427 for fair rent, the amount shall be calculated utilizing the amount
6428 approved by the Office of Health Care Access pursuant to section 19a-
6429 638; for capital-related costs, there shall be no maximum; and for
6430 administrative and general costs the maximum shall be equal to one
6431 hundred fifteen per cent of the state-wide median allowable cost. For
6432 the fiscal year ending June 30, 1994, per diem maximum allowable
6433 costs for each cost component shall be as follows: For direct costs, the
6434 maximum shall be equal to one hundred thirty-five per cent of the
6435 median allowable cost of that peer grouping; for indirect costs, the
6436 maximum shall be equal to one hundred twenty per cent of the state-

6437 wide median allowable cost; for fair rent, the amount shall be
6438 calculated utilizing the amount approved by the Office of Health Care
6439 Access pursuant to section 19a-638; for capital-related costs, there shall
6440 be no maximum; and for administrative and general costs the
6441 maximum shall be equal to one hundred ten per cent of the state-wide
6442 median allowable cost. For the fiscal year ending June 30, 1995, per
6443 diem maximum allowable costs for each cost component shall be as
6444 follows: For direct costs, the maximum shall be equal to one hundred
6445 thirty-five per cent of the median allowable cost of that peer grouping;
6446 for indirect costs, the maximum shall be equal to one hundred twenty
6447 per cent of the state-wide median allowable cost; for fair rent, the
6448 amount shall be calculated utilizing the amount approved by the
6449 Office of Health Care Access pursuant to section 19a-638; for capital-
6450 related costs, there shall be no maximum; and for administrative and
6451 general costs the maximum shall be equal to one hundred five per cent
6452 of the state-wide median allowable cost. For the fiscal year ending June
6453 30, 1996, and any succeeding fiscal year, except for the fiscal years
6454 ending June 30, 2000, and June 30, 2001, for facilities with an interim
6455 rate in one or both periods, per diem maximum allowable costs for
6456 each cost component shall be as follows: For direct costs, the maximum
6457 shall be equal to one hundred thirty-five per cent of the median
6458 allowable cost of that peer grouping; for indirect costs, the maximum
6459 shall be equal to one hundred fifteen per cent of the state-wide median
6460 allowable cost; for fair rent, the amount shall be calculated utilizing the
6461 amount approved pursuant to section 19a-638; for capital-related costs,
6462 there shall be no maximum; and for administrative and general costs
6463 the maximum shall be equal to the state-wide median allowable cost.
6464 For the fiscal years ending June 30, 2000, and June 30, 2001, for
6465 facilities with an interim rate in one or both periods, per diem
6466 maximum allowable costs for each cost component shall be as follows:
6467 For direct costs, the maximum shall be equal to one hundred forty-five
6468 per cent of the median allowable cost of that peer grouping; for
6469 indirect costs, the maximum shall be equal to one hundred twenty-five
6470 per cent of the state-wide median allowable cost; for fair rent, the

6471 amount shall be calculated utilizing the amount approved pursuant to
6472 section 19a-638; for capital-related costs, there shall be no maximum;
6473 and for administrative and general costs, the maximum shall be equal
6474 to the state-wide median allowable cost and such medians shall be
6475 based upon the same cost year used to set rates for facilities with
6476 prospective rates. Costs in excess of the maximum amounts established
6477 under this subsection shall not be recognized as allowable costs, except
6478 that the Commissioner of Social Services (A) may allow costs in excess
6479 of maximum amounts for any facility with patient days covered by
6480 Medicare, including days requiring coinsurance, in excess of twelve
6481 per cent of annual patient days which also has patient days covered by
6482 Medicaid in excess of fifty per cent of annual patient days; (B) may
6483 establish a pilot program whereby costs in excess of maximum
6484 amounts shall be allowed for beds in a nursing home which has a
6485 managed care program and is affiliated with a hospital licensed under
6486 chapter 368v; and (C) may establish rates whereby allowable costs may
6487 exceed such maximum amounts for beds approved on or after July 1,
6488 1991, which are restricted to use by patients with acquired immune
6489 deficiency syndrome or traumatic brain injury.

6490 (4) For the fiscal year ending June 30, 1992, (A) no facility shall
6491 receive a rate that is less than the rate it received for the rate year
6492 ending June 30, 1991; (B) no facility whose rate, if determined pursuant
6493 to this subsection, would exceed one hundred twenty per cent of the
6494 state-wide median rate, as determined pursuant to this subsection,
6495 shall receive a rate which is five and one-half per cent more than the
6496 rate it received for the rate year ending June 30, 1991; and (C) no
6497 facility whose rate, if determined pursuant to this subsection, would be
6498 less than one hundred twenty per cent of the state-wide median rate,
6499 as determined pursuant to this subsection, shall receive a rate which is
6500 six and one-half per cent more than the rate it received for the rate year
6501 ending June 30, 1991. For the fiscal year ending June 30, 1993, no
6502 facility shall receive a rate that is less than the rate it received for the
6503 rate year ending June 30, 1992, or six per cent more than the rate it
6504 received for the rate year ending June 30, 1992. For the fiscal year

6505 ending June 30, 1994, no facility shall receive a rate that is less than the
6506 rate it received for the rate year ending June 30, 1993, or six per cent
6507 more than the rate it received for the rate year ending June 30, 1993.
6508 For the fiscal year ending June 30, 1995, no facility shall receive a rate
6509 that is more than five per cent less than the rate it received for the rate
6510 year ending June 30, 1994, or six per cent more than the rate it received
6511 for the rate year ending June 30, 1994. For the fiscal years ending June
6512 30, 1996, and June 30, 1997, no facility shall receive a rate that is more
6513 than three per cent more than the rate it received for the prior rate
6514 year. For the fiscal year ending June 30, 1998, a facility shall receive a
6515 rate increase that is not more than two per cent more than the rate that
6516 the facility received in the prior year. For the fiscal year ending June
6517 30, 1999, a facility shall receive a rate increase that is not more than
6518 three per cent more than the rate that the facility received in the prior
6519 year and that is not less than one per cent more than the rate that the
6520 facility received in the prior year, exclusive of rate increases associated
6521 with a wage, benefit and staffing enhancement rate adjustment added
6522 for the period from April 1, 1999, to June 30, 1999, inclusive. For the
6523 fiscal year ending June 30, 2000, each facility, except a facility with an
6524 interim rate or replaced interim rate for the fiscal year ending June 30,
6525 1999, and a facility having a certificate of need or other agreement
6526 specifying rate adjustments for the fiscal year ending June 30, 2000,
6527 shall receive a rate increase equal to one per cent applied to the rate the
6528 facility received for the fiscal year ending June 30, 1999, exclusive of
6529 the facility's wage, benefit and staffing enhancement rate adjustment.
6530 For the fiscal year ending June 30, 2000, no facility with an interim rate,
6531 replaced interim rate or scheduled rate adjustment specified in a
6532 certificate of need or other agreement for the fiscal year ending June
6533 30, 2000, shall receive a rate increase that is more than one per cent
6534 more than the rate the facility received in the fiscal year ending June
6535 30, 1999. For the fiscal year ending June 30, 2001, each facility, except a
6536 facility with an interim rate or replaced interim rate for the fiscal year
6537 ending June 30, 2000, and a facility having a certificate of need or other
6538 agreement specifying rate adjustments for the fiscal year ending June

6539 30, 2001, shall receive a rate increase equal to two per cent applied to
6540 the rate the facility received for the fiscal year ending June 30, 2000,
6541 subject to verification of wage enhancement adjustments pursuant to
6542 subdivision [(15)] (14) of this subsection. For the fiscal year ending
6543 June 30, 2001, no facility with an interim rate, replaced interim rate or
6544 scheduled rate adjustment specified in a certificate of need or other
6545 agreement for the fiscal year ending June 30, 2001, shall receive a rate
6546 increase that is more than two per cent more than the rate the facility
6547 received for the fiscal year ending June 30, 2000. For the fiscal year
6548 ending June 30, 2002, each facility shall receive a rate that is two and
6549 one-half per cent more than the rate the facility received in the prior
6550 fiscal year. For the fiscal year ending June 30, 2003, each facility shall
6551 receive a rate that is two per cent more than the rate the facility
6552 received in the prior fiscal year, except that such increase shall be
6553 effective January 1, 2003, and such facility rate in effect for the fiscal
6554 year ending June 30, 2002, shall be paid for services provided until
6555 December 31, 2002, except any facility that would have been issued a
6556 lower rate effective July 1, 2002, than for the fiscal year ending June 30,
6557 2002, due to interim rate status or agreement with the department shall
6558 be issued such lower rate effective July 1, 2002, and have such rate
6559 increased two per cent effective June 1, 2003. For the fiscal year ending
6560 June 30, 2004, rates in effect for the period ending June 30, 2003, shall
6561 remain in effect, except any facility that would have been issued a
6562 lower rate effective July 1, 2003, than for the fiscal year ending June 30,
6563 2003, due to interim rate status or agreement with the department shall
6564 be issued such lower rate effective July 1, 2003. For the fiscal year
6565 ending June 30, 2005, rates in effect for the period ending June 30, 2004,
6566 shall remain in effect until December 31, 2004, except any facility that
6567 would have been issued a lower rate effective July 1, 2004, than for the
6568 fiscal year ending June 30, 2004, due to interim rate status or
6569 agreement with the department shall be issued such lower rate
6570 effective July 1, 2004. Effective January 1, 2005, each facility shall
6571 receive a rate that is one per cent greater than the rate in effect
6572 December 31, 2004. Effective upon receipt of all the necessary federal

6573 approvals to secure federal financial participation matching funds
6574 associated with the rate increase provided in this subdivision, but in
6575 no event earlier than July 1, 2005, and provided the user fee imposed
6576 under section 17b-320 is required to be collected, for the fiscal year
6577 ending June 30, 2006, the department shall compute the rate for each
6578 facility based upon its 2003 cost report filing or a subsequent cost year
6579 filing for facilities having an interim rate for the period ending June 30,
6580 2005, as provided under section 17-311-55 of the regulations of
6581 Connecticut state agencies. For each facility not having an interim rate
6582 for the period ending June 30, 2005, the rate for the period ending June
6583 30, 2006, shall be determined beginning with the higher of the
6584 computed rate based upon its 2003 cost report filing or the rate in
6585 effect for the period ending June 30, 2005. Such rate shall then be
6586 increased by eleven dollars and eighty cents per day except that in no
6587 event shall the rate for the period ending June 30, 2006, be thirty-two
6588 dollars more than the rate in effect for the period ending June 30, 2005,
6589 and for any facility with a rate below one hundred ninety-five dollars
6590 per day for the period ending June 30, 2005, such rate for the period
6591 ending June 30, 2006, shall not be greater than two hundred seventeen
6592 dollars and forty-three cents per day and for any facility with a rate
6593 equal to or greater than one hundred ninety-five dollars per day for
6594 the period ending June 30, 2005, such rate for the period ending June
6595 30, 2006, shall not exceed the rate in effect for the period ending June
6596 30, 2005, increased by eleven and one-half per cent. For each facility
6597 with an interim rate for the period ending June 30, 2005, the interim
6598 replacement rate for the period ending June 30, 2006, shall not exceed
6599 the rate in effect for the period ending June 30, 2005, increased by
6600 eleven dollars and eighty cents per day plus the per day cost of the
6601 user fee payments made pursuant to section 17b-320 divided by
6602 annual resident service days, except for any facility with an interim
6603 rate below one hundred ninety-five dollars per day for the period
6604 ending June 30, 2005, the interim replacement rate for the period
6605 ending June 30, 2006, shall not be greater than two hundred seventeen
6606 dollars and forty-three cents per day and for any facility with an

6607 interim rate equal to or greater than one hundred ninety-five dollars
6608 per day for the period ending June 30, 2005, the interim replacement
6609 rate for the period ending June 30, 2006, shall not exceed the rate in
6610 effect for the period ending June 30, 2005, increased by eleven and one-
6611 half per cent. Such July 1, 2005, rate adjustments shall remain in effect
6612 unless (i) the federal financial participation matching funds associated
6613 with the rate increase are no longer available; or (ii) the user fee
6614 created pursuant to section 17b-320 is not in effect. For the fiscal year
6615 ending June 30, 2007, each facility shall receive a rate that is three per
6616 cent greater than the rate in effect for the period ending June 30, 2006,
6617 except any facility that would have been issued a lower rate effective
6618 July 1, 2006, than for the rate period ending June 30, 2006, due to
6619 interim rate status or agreement with the department, shall be issued
6620 such lower rate effective July 1, 2006. For the fiscal year ending June
6621 30, 2008, each facility shall receive a rate that is two and nine-tenths
6622 per cent greater than the rate in effect for the period ending June 30,
6623 2007, except any facility that would have been issued a lower rate
6624 effective July 1, 2007, than for the rate period ending June 30, 2007, due
6625 to interim rate status or agreement with the department, shall be
6626 issued such lower rate effective July 1, 2007. For the fiscal year ending
6627 June 30, 2009, rates in effect for the period ending June 30, 2008, shall
6628 remain in effect until June 30, 2009, except any facility that would have
6629 been issued a lower rate for the fiscal year ending June 30, 2009, due to
6630 interim rate status or agreement with the department shall be issued
6631 such lower rate. For the fiscal years ending June 30, 2010, and June 30,
6632 2011, rates in effect for the period ending June 30, 2009, shall remain in
6633 effect until June 30, 2011, except any facility that would have been
6634 issued a lower rate for the fiscal year ending June 30, 2010, or the fiscal
6635 year ending June 30, 2011, due to interim rate status or agreement with
6636 the department, shall be issued such lower rate. The Commissioner of
6637 Social Services shall add fair rent increases to any other rate increases
6638 established pursuant to this subdivision for a facility which has
6639 undergone a material change in circumstances related to fair rent,
6640 except for the fiscal year ending June 30, 2010, and the fiscal year

6641 ending June 30, 2011, such fair rent increases shall only be provided to
6642 facilities with an approved certificate of need pursuant to section 17b-
6643 352, 17b-353, 17b-354 or 17b-355. Interim rates may take into account
6644 reasonable costs incurred by a facility, including wages and benefits.

6645 (5) For the purpose of determining allowable fair rent, a facility with
6646 allowable fair rent less than the twenty-fifth percentile of the state-
6647 wide allowable fair rent shall be reimbursed as having allowable fair
6648 rent equal to the twenty-fifth percentile of the state-wide allowable fair
6649 rent, provided for the fiscal years ending June 30, 1996, and June 30,
6650 1997, the reimbursement may not exceed the twenty-fifth percentile of
6651 the state-wide allowable fair rent for the fiscal year ending June 30,
6652 1995. On and after July 1, 1998, the Commissioner of Social Services
6653 may allow minimum fair rent as the basis upon which reimbursement
6654 associated with improvements to real property is added. Beginning
6655 with the fiscal year ending June 30, 1996, any facility with a rate of
6656 return on real property other than land in excess of eleven per cent
6657 shall have such allowance revised to eleven per cent. Any facility or its
6658 related realty affiliate which finances or refinances debt through bonds
6659 issued by the State of Connecticut Health and Education Facilities
6660 Authority shall report the terms and conditions of such financing or
6661 refinancing to the Commissioner of Social Services within thirty days
6662 of completing such financing or refinancing. The Commissioner of
6663 Social Services may revise the facility's fair rent component of its rate
6664 to reflect any financial benefit the facility or its related realty affiliate
6665 received as a result of such financing or refinancing, including but not
6666 limited to, reductions in the amount of debt service payments or
6667 period of debt repayment. The commissioner shall allow actual debt
6668 service costs for bonds issued by the State of Connecticut Health and
6669 Educational Facilities Authority if such costs do not exceed property
6670 costs allowed pursuant to subsection (f) of section 17-311-52 of the
6671 regulations of Connecticut state agencies, provided the commissioner
6672 may allow higher debt service costs for such bonds for good cause. For
6673 facilities which first open on or after October 1, 1992, the commissioner
6674 shall determine allowable fair rent for real property other than land

6675 based on the rate of return for the cost year in which such bonds were
6676 issued. The financial benefit resulting from a facility financing or
6677 refinancing debt through such bonds shall be shared between the state
6678 and the facility to an extent determined by the commissioner on a case-
6679 by-case basis and shall be reflected in an adjustment to the facility's
6680 allowable fair rent.

6681 (6) A facility shall receive cost efficiency adjustments for indirect
6682 costs and for administrative and general costs if such costs are below
6683 the state-wide median costs. The cost efficiency adjustments shall
6684 equal twenty-five per cent of the difference between allowable
6685 reported costs and the applicable median allowable cost established
6686 pursuant to this subdivision.

6687 (7) For the fiscal year ending June 30, 1992, allowable operating
6688 costs, excluding fair rent, shall be inflated using the Regional Data
6689 Resources Incorporated McGraw-Hill Health Care Costs: Consumer
6690 Price Index (all urban)-All Items minus one and one-half per cent. For
6691 the fiscal year ending June 30, 1993, allowable operating costs,
6692 excluding fair rent, shall be inflated using the Regional Data Resources
6693 Incorporated McGraw-Hill Health Care Costs: Consumer Price Index
6694 (all urban)-All Items minus one and three-quarters per cent. For the
6695 fiscal years ending June 30, 1994, and June 30, 1995, allowable
6696 operating costs, excluding fair rent, shall be inflated using the Regional
6697 Data Resources Incorporated McGraw-Hill Health Care Costs:
6698 Consumer Price Index (all urban)-All Items minus two per cent. For
6699 the fiscal year ending June 30, 1996, allowable operating costs,
6700 excluding fair rent, shall be inflated using the Regional Data Resources
6701 Incorporated McGraw-Hill Health Care Costs: Consumer Price Index
6702 (all urban)-All Items minus two and one-half per cent. For the fiscal
6703 year ending June 30, 1997, allowable operating costs, excluding fair
6704 rent, shall be inflated using the Regional Data Resources Incorporated
6705 McGraw-Hill Health Care Costs: Consumer Price Index (all urban)-All
6706 Items minus three and one-half per cent. For the fiscal year ending
6707 June 30, 1992, and any succeeding fiscal year, allowable fair rent shall

6708 be those reported in the annual report of long-term care facilities for
6709 the cost year ending the immediately preceding September thirtieth.
6710 The inflation index to be used pursuant to this subsection shall be
6711 computed to reflect inflation between the midpoint of the cost year
6712 through the midpoint of the rate year. The Department of Social
6713 Services shall study methods of reimbursement for fair rent and shall
6714 report its findings and recommendations to the joint standing
6715 committee of the General Assembly having cognizance of matters
6716 relating to human services on or before January 15, 1993.

6717 (8) On and after July 1, 1994, costs shall be rebased no more
6718 frequently than every two years and no less frequently than every four
6719 years, as determined by the commissioner. The commissioner shall
6720 determine whether and to what extent a change in ownership of a
6721 facility shall occasion the rebasing of the facility's costs.

6722 (9) The method of establishing rates for new facilities shall be
6723 determined by the commissioner in accordance with the provisions of
6724 this subsection.

6725 (10) Rates determined under this section shall comply with federal
6726 laws and regulations.

6727 [(11) For the fiscal year ending June 30, 2011, and any succeeding
6728 fiscal year, one-half of the initial amount payable in June by the state to
6729 a facility pursuant to this subsection shall be paid to the facility in June
6730 and the balance of such amount shall be paid in July.]

6731 [(12)] (11) Notwithstanding the provisions of this subsection,
6732 interim rates issued for facilities on and after July 1, 1991, shall be
6733 subject to applicable fiscal year cost component limitations established
6734 pursuant to subdivision (3) of this subsection.

6735 [(13)] (12) A chronic and convalescent nursing home having an
6736 ownership affiliation with and operated at the same location as a
6737 chronic disease hospital may request that the commissioner approve

6738 an exception to applicable rate-setting provisions for chronic and
6739 convalescent nursing homes and establish a rate for the fiscal years
6740 ending June 30, 1992, and June 30, 1993, in accordance with regulations
6741 in effect June 30, 1991. Any such rate shall not exceed one hundred
6742 sixty-five per cent of the median rate established for chronic and
6743 convalescent nursing homes established under this section for the
6744 applicable fiscal year.

6745 [(14)] (13) For the fiscal year ending June 30, 1994, and any
6746 succeeding fiscal year, for purposes of computing minimum allowable
6747 patient days, utilization of a facility's certified beds shall be
6748 determined at a minimum of ninety-five per cent of capacity, except
6749 for new facilities and facilities which are certified for additional beds
6750 which may be permitted a lower occupancy rate for the first three
6751 months of operation after the effective date of licensure.

6752 [(15)] (14) The Commissioner of Social Services shall adjust facility
6753 rates from April 1, 1999, to June 30, 1999, inclusive, by a per diem
6754 amount representing each facility's allocation of funds appropriated
6755 for the purpose of wage, benefit and staffing enhancement. A facility's
6756 per diem allocation of such funding shall be computed as follows: (A)
6757 The facility's direct and indirect component salary, wage, nursing pool
6758 and allocated fringe benefit costs as filed for the 1998 cost report
6759 period deemed allowable in accordance with this section and
6760 applicable regulations without application of cost component
6761 maximums specified in subdivision (3) of this subsection shall be
6762 totalled; (B) such total shall be multiplied by the facility's Medicaid
6763 utilization based on the 1998 cost report; (C) the resulting amount for
6764 the facility shall be divided by the sum of the calculations specified in
6765 subparagraphs (A) and (B) of this subdivision for all facilities to
6766 determine the facility's percentage share of appropriated wage, benefit
6767 and staffing enhancement funding; (D) the facility's percentage share
6768 shall be multiplied by the amount of appropriated wage, benefit and
6769 staffing enhancement funding to determine the facility's allocated
6770 amount; and (E) such allocated amount shall be divided by the number

6771 of days of care paid for by Medicaid on an annual basis including days
6772 for reserved beds specified in the 1998 cost report to determine the per
6773 diem wage and benefit rate adjustment amount. The commissioner
6774 may adjust a facility's reported 1998 cost and utilization data for the
6775 purposes of determining a facility's share of wage, benefit and staffing
6776 enhancement funding when reported 1998 information is not
6777 substantially representative of estimated cost and utilization data for
6778 the fiscal year ending June 30, 2000, due to special circumstances
6779 during the 1998 cost report period including change of ownership with
6780 a part year cost filing or reductions in facility capacity due to facility
6781 renovation projects. Upon completion of the calculation of the
6782 allocation of wage, benefit and staffing enhancement funding, the
6783 commissioner shall not adjust the allocations due to revisions
6784 submitted to previously filed 1998 annual cost reports. In the event
6785 that a facility's rate for the fiscal year ending June 30, 1999, is an
6786 interim rate or the rate includes an increase adjustment due to a rate
6787 request to the commissioner or other reasons, the commissioner may
6788 reduce or withhold the per diem wage, benefit and staffing
6789 enhancement allocation computed for the facility. Any enhancement
6790 allocations not applied to facility rates shall not be reallocated to other
6791 facilities and such unallocated amounts shall be available for the costs
6792 associated with interim rates and other Medicaid expenditures. The
6793 wage, benefit and staffing enhancement per diem adjustment for the
6794 period from April 1, 1999, to June 30, 1999, inclusive, shall also be
6795 applied to rates for the fiscal years ending June 30, 2000, and June 30,
6796 2001, except that the commissioner may increase or decrease the
6797 adjustment to account for changes in facility capacity or operations.
6798 Any facility accepting a rate adjustment for wage, benefit and staffing
6799 enhancements shall apply payments made as a result of such rate
6800 adjustment for increased allowable employee wage rates and benefits
6801 and additional direct and indirect component staffing. Adjustment
6802 funding shall not be applied to wage and salary increases provided to
6803 the administrator, assistant administrator, owners or related party
6804 employees. Enhancement payments may be applied to increases in

6805 costs associated with staffing purchased from staffing agencies
6806 provided such costs are deemed necessary and reasonable by the
6807 commissioner. The commissioner shall compare expenditures for
6808 wages, benefits and staffing for the 1998 cost report period to such
6809 expenditures in the 1999, 2000 and 2001 cost report periods to verify
6810 whether a facility has applied additional payments to specified
6811 enhancements. In the event that the commissioner determines that a
6812 facility did not apply additional payments to specified enhancements,
6813 the commissioner shall recover such amounts from the facility through
6814 rate adjustments or other means. The commissioner may require
6815 facilities to file cost reporting forms, in addition to the annual cost
6816 report, as may be necessary, to verify the appropriate application of
6817 wage, benefit and staffing enhancement rate adjustment payments. For
6818 the purposes of this subdivision, "Medicaid utilization" means the
6819 number of days of care paid for by Medicaid on an annual basis
6820 including days for reserved beds as a percentage of total resident days.

6821 ~~[(16)]~~ (15) The interim rate established to become effective upon sale
6822 of any licensed chronic and convalescent home or rest home with
6823 nursing supervision for which a receivership has been imposed
6824 pursuant to sections 19a-541 to 19a-549, inclusive, shall not exceed the
6825 rate in effect for the facility at the time of the imposition of the
6826 receivership, subject to any annual increases permitted by this section;
6827 provided the Commissioner of Social Services may, in the
6828 commissioner's discretion, and after consultation with the receiver,
6829 establish an increased rate for the facility if the commissioner with
6830 approval of the Secretary of the Office of Policy and Management
6831 determines that such higher rate is needed to keep the facility open
6832 and to ensure the health, safety and welfare of the residents at such
6833 facility.

6834 (g) For the fiscal year ending June 30, 1993, any intermediate care
6835 facility for the mentally retarded with an operating cost component of
6836 its rate in excess of one hundred forty per cent of the median of
6837 operating cost components of rates in effect January 1, 1992, shall not

6838 receive an operating cost component increase. For the fiscal year
6839 ending June 30, 1993, any intermediate care facility for the mentally
6840 retarded with an operating cost component of its rate that is less than
6841 one hundred forty per cent of the median of operating cost
6842 components of rates in effect January 1, 1992, shall have an allowance
6843 for real wage growth equal to thirty per cent of the increase
6844 determined in accordance with subsection (q) of section 17-311-52 of
6845 the regulations of Connecticut state agencies, provided such operating
6846 cost component shall not exceed one hundred forty per cent of the
6847 median of operating cost components in effect January 1, 1992. Any
6848 facility with real property other than land placed in service prior to
6849 October 1, 1991, shall, for the fiscal year ending June 30, 1995, receive a
6850 rate of return on real property equal to the average of the rates of
6851 return applied to real property other than land placed in service for the
6852 five years preceding October 1, 1993. For the fiscal year ending June 30,
6853 1996, and any succeeding fiscal year, the rate of return on real property
6854 for property items shall be revised every five years. The commissioner
6855 shall, upon submission of a request, allow actual debt service,
6856 comprised of principal and interest, in excess of property costs allowed
6857 pursuant to section 17-311-52 of the regulations of Connecticut state
6858 agencies, provided such debt service terms and amounts are
6859 reasonable in relation to the useful life and the base value of the
6860 property. For the fiscal year ending June 30, 1995, and any succeeding
6861 fiscal year, the inflation adjustment made in accordance with
6862 subsection (p) of section 17-311-52 of the regulations of Connecticut
6863 state agencies shall not be applied to real property costs. For the fiscal
6864 year ending June 30, 1996, and any succeeding fiscal year, the
6865 allowance for real wage growth, as determined in accordance with
6866 subsection (q) of section 17-311-52 of the regulations of Connecticut
6867 state agencies, shall not be applied. For the fiscal year ending June 30,
6868 1996, and any succeeding fiscal year, no rate shall exceed three
6869 hundred seventy-five dollars per day unless the commissioner, in
6870 consultation with the Commissioner of Developmental Services,
6871 determines after a review of program and management costs, that a

6872 rate in excess of this amount is necessary for care and treatment of
6873 facility residents. For the fiscal year ending June 30, 2002, rate period,
6874 the Commissioner of Social Services shall increase the inflation
6875 adjustment for rates made in accordance with subsection (p) of section
6876 17-311-52 of the regulations of Connecticut state agencies to update
6877 allowable fiscal year 2000 costs to include a three and one-half per cent
6878 inflation factor. For the fiscal year ending June 30, 2003, rate period, the
6879 commissioner shall increase the inflation adjustment for rates made in
6880 accordance with subsection (p) of section 17-311-52 of the regulations
6881 of Connecticut state agencies to update allowable fiscal year 2001 costs
6882 to include a one and one-half per cent inflation factor, except that such
6883 increase shall be effective November 1, 2002, and such facility rate in
6884 effect for the fiscal year ending June 30, 2002, shall be paid for services
6885 provided until October 31, 2002, except any facility that would have
6886 been issued a lower rate effective July 1, 2002, than for the fiscal year
6887 ending June 30, 2002, due to interim rate status or agreement with the
6888 department shall be issued such lower rate effective July 1, 2002, and
6889 have such rate updated effective November 1, 2002, in accordance with
6890 applicable statutes and regulations. For the fiscal year ending June 30,
6891 2004, rates in effect for the period ending June 30, 2003, shall remain in
6892 effect, except any facility that would have been issued a lower rate
6893 effective July 1, 2003, than for the fiscal year ending June 30, 2003, due
6894 to interim rate status or agreement with the department shall be issued
6895 such lower rate effective July 1, 2003. For the fiscal year ending June
6896 30, 2005, rates in effect for the period ending June 30, 2004, shall
6897 remain in effect until September 30, 2004. Effective October 1, 2004,
6898 each facility shall receive a rate that is five per cent greater than the
6899 rate in effect September 30, 2004. Effective upon receipt of all the
6900 necessary federal approvals to secure federal financial participation
6901 matching funds associated with the rate increase provided in
6902 subdivision (4) of subsection (f) of this section, but in no event earlier
6903 than October 1, 2005, and provided the user fee imposed under section
6904 17b-320 is required to be collected, each facility shall receive a rate that
6905 is four per cent more than the rate the facility received in the prior

6906 fiscal year, except any facility that would have been issued a lower rate
6907 effective October 1, 2005, than for the fiscal year ending June 30, 2005,
6908 due to interim rate status or agreement with the department, shall be
6909 issued such lower rate effective October 1, 2005. Such rate increase
6910 shall remain in effect unless: (A) The federal financial participation
6911 matching funds associated with the rate increase are no longer
6912 available; or (B) the user fee created pursuant to section 17b-320 is not
